## A Pamphlet and its Sequel

Two pamphlets issued by The Great-West Life Assurance Company are recommended as being highly interesting and instructive to persons requiring to secure the protection of Life Insurance.

The one may be looked upon as a sequel to the other, inasmuch as the first, entitled "ACTUAL RESULTS," gives a record of the profits paid under Policies maturing this year and last year. The second pamphlet, entitled, "APPRECIATION," reprints a number of letters received from those who participated in these profits and, as was to be expected, the views recorded are highly appreciative.

Copies of these pamphlets may be had on request, and enquirers may thereby make a preliminary acquaintance with The Great-West Life and the many valuable Plans of Insurance issued by the Company.
