

Make your future home with us

Make your future home with us in the beautiful Chilliwack Valley. Where you can enjoy life to the fullest; where no extremely cold winters, no excessively hot summers, no drouth—NEVER a crop failure, and where dozens of retired prairie farmers have found home, health, happiness and contentment, amid peace and plenty.

We have prepared some literature telling all about this wonderful Garden spot of British Columbia, and we want you to send today for this.

The soil in this district is the richest in all of Canada. Big profits from dairying, fruit, berry and poultry raising, as well as general farming. The big waiting markets of Vancouver, Westminster, and Chilliwack are right at your door. Every city advantage is offered: schools, telephones, electric lights, rural free mail delivery and gravity water supply right on your farm.

We will Build a Home for You, plow the soil, plant trees, berry bushes, shrubbery, and crops—having the place all ready for you to move into.

Rescued from Huns to Die of Starvation!

Hideous Plight of Belgians Demands Immediate Help

Peace does not mean Plenty in Stricken Belgium!

Germany's hellish policy has been too thoroughly administered for Belgium to be able to feed and clothe herself again—at least, until the Government has been thoroughly organized on a permanent basis.

Little children, thousands of them, are hungry for a slice of bread, shivering in their worn-out rags. YOU can help to feed and clothe them. They haven't a cent to buy even what supplies are available.

The destitute Belgians need your help about as badly as a human creature could need it.

HOW TO HELP!

All the machinery of the Belgian Relief Fund is at your service to convert your contribution in money HERE into food and clothing THERE.

A dollar here and now means LIFE to one of the starving subjects of King Albert, but look here

NO ONE will come to you and ASK you for your contribution. If you do not voluntarily send it to the Belgian Relief Fund, Local Committee, or Headquarters, the opportunity is gone, and the Belgian you MIGHT have saved, dies of starvation or perishes for lack of clothing or proper protection.
