-These chilly nights put us in mind that winter is fast approaching and that Mildmay has not a skating and curling rink. Now if some of our moneyed men would get to work and erect a covered rink they would be well patronized. There are a large number of skaters who go to Walkerton each winter to the risk there when they would spend their money at home if we had such an their money at home if we had such an institution in town. The outlay would not amount to much and the facilities for flooding it are excellent, there be ing any amount of water handy. Let some of our people get together and talk this matter up.
