ART EXAMS.

Though these examinations were taken on the spur of the moment, no previous preparation having been made for them, many of the pupils writing from McKeeough and the Central schools have done well, and this should encourage these schools to undertake the work next year when ample preparation can be made for the examination. Mr. H. Collins, of the Collegiate Institute, passed in the whole primary and advanced mechanical course, thus fully completing his course for specialist. Mr. Wilson Taylor also passed in the geometry and perspective of the advanced course; and Miss Mabel Doherty, a Harwich teacher, passed the advanced perspective, thus completing her course.

MISSING MAN

Thos. Holloway, Grant street, called on the police this morning in a state of some excitement. Mr. Holloway said that Harry Smith had disappeared last evening and his wife feared that he had committed suicide. Smith was last seen at ten o'clock last night. P. C. Dezelia said he guessed the bird had flown but he went over and broke into Smith's barber shop on the bridge. The curtains were drawn. Instead of the grinning ghastly corpse of man who had sought self destruction, the policeman found all the tools gone and the shop empty. As soon as Mrs. Smith heard this she began to believe that a woman was at the bottom of the disappearance and she hastened over to the vicinity of the Home of the Friendless to see if a lady friend of her husband's was still in the city.

Summer Drinks Baking Powder

Have you tried ours. We have one that we sell at 25c. lb. It is our own—called Young's Pure Cream of Tartar Baking Powder. We guarantee it to give you every satisfaction; so much so that we say to our customers like this—Take it home, try it, and if for any reason it does not turn out to be just as we say, bring it back, and we will give you your money back no matter if you have used half of it. We say this because we know the baking powder we sell. We might just say that we have only been selling the B. Powder a short time and people are already asking for it. We sell the 1-lb. at 25c, 1-2-lbs. at 15c, also 10c tins. Try it.

HYMEN'S BONDS

A very happy event took place at the residence of Mr. and Mrs. Wallace Simpson, Delaware avenue, this afternoon at three o'clock, when their second daughter, Miss Lillian, was married to J. C. (Bert) Shepherd, the managing foreman of the Banner-News. The ceremony was performed by Rev. J. J. Rees, pastor of the William Street Baptist church, in the presence of the immediate relatives only.

Miss Simpson, the bride, is one of the most popular of Chatham's young ladies, and her vocal talents are much appreciated in musical circles. She is a member of the First Presbyterian choir, but has sung in different choirs in the city.

Mr. Shepherd is also a popular young man and well worthy of the success which he has attained during his year's residence in Chatham. He is the only son of Mr. and Mrs. J. R. Shepherd, of St. Thomas, who attended the wedding.

The newly married couple left this afternoon on the five o'clock train for Montreal and other eastern points, where they will spend their honeymoon. A handsome suite of rooms has been furnished for them over the new offices of O'Keefe and Drew. They will return to Chatham after spending a couple of weeks on their trip. Their many friends in the city will join in congratulating them and in wishing them every success in their future life.

On Saturday evening the boarders at the C. P. R. Hotel, where Mr. Shepherd has lived during his residence in the city, gathered in the parlors and presented him with a beautifully worded, address, accompanied by a quartered cut golden oak guest's rocker. About 20 were present. The address was made by Mr. White and the presentation made by James Mitchell. Mr. Shepherd made a very fitting reply, expressing his thanks and inviting them to visit him in his new home. Among the wedding presents was a gift from the employees of the Banner-News.

WIRE WOUNDS

My mare, a very valuable one, was badly bruised and cut by being caught in a wire fence. Some of the wounds would not heal, although I tried many different medicines. Dr. Bell advised me to use **MINARD'S LINIMENT**, diluted at first, then stronger as the sores began to look better, until, after three weeks, the sores have healed, and best of all, the hair is growing well, and is not white, as is most always the case in horse wounds.
