Women's Column

Toronto, July 2.—One of the immediate outcomes of the International Council of Women was the decision arrived at by the National Council of Women of Canada, at their annual meeting in Convocation Hall yesterday, to engage in an active campaign for the multiplication of Women's Councils throughout the Dominion.

The question was really raised by Mrs. Day, the Vice-President of the British Columbia, and although the ensuing debate was of a somewhat desultory character the Comtesse of Aberdeen gave life to the movement by promising a subscription of \$100 a year for the next five years. Other ladies also responded until a total of \$1,000 had been promised.

The officers were elected, as follows: Lady Edgar, President; Mrs. Wainwright, Vice-President; Mrs. Cunningham, Corresponding Secretary; Mrs. McIntosh, Montreal, Recording Secretary; Mrs. F. Frost, Smith's Falls, Treasurer.

Her Excellency the Countess of Aberdeen and her physician, Sir William Thompson, left Toronto this morning for Montreal, whence they sail for the old land.

EARTH SHOCK.

California Towns Feel Quake—Affairs at Messina.

Downville, Calif., July 2.—For over a week earthquake shocks have been felt every night and the residents of this part of Sierra County are getting uneasy as they fear an eruption of Mount Fillmore, which seems the centre of the disturbed area. Miners fearing cave-ins are refusing to work under ground.

San Bernardino, Calif., July 2.—A slight earthquake shock was felt here at 5.30 a. m. yesterday. No damage was done. The atmosphere was unusually heavy throughout the day, with the thermometer registering 105.

AT NASH'S.

Wentworth Baptists Had Picnic on the Holiday.

The Wentworth Baptist Sunday school held its annual picnic yesterday, and altogether about 250 of the scholars and their friends enjoyed the outing.

The picnic was held at Nash's Grove and a pleasant view of the country was afforded the picnickers as they sped along on the H. G. & B. electric cars. Dinner and supper were served under the direction of the ladies. An ice cream and candy booth was provided by one of the members. Numerous games were indulged in, and included a game of indoor ball between picked teams.

The scores were 11-6. The races were well contested and the prizes worth trying for. The picnickers returned on the 9 o'clock cars, tired, but happy, after having had a pleasant outing.

CANADA'S FINANCES.

The merit of the financial demands of Canada must be measured by the combined scale of her territory and of her growth. Her railway development has to fit the area, not of a petty European State, but of half a continent sweeping to both oceans. The rolling stock of such railways must be on a scale fitting to the nature of the products of the regions which they serve; products of great weight and bulk; grain, fruits, timber, with a great variety of minerals.

At least of all could it have been foretold that the early pioneers who have built up the Western States should sell off their holdings in the United States and flock to the Canadian Northwest. Here is something tangible to warrant the railway development of a new country on the most lavish scale.

TORONTO WON AT CRICKET.

Are Now Even With Hamilton on the Season's Game.

Hamilton and Toronto cricket teams met on the holiday for the third match of the season, on the H. C. grounds. Hamilton had a strong team, but was handicapped by the loss of Southern, who left Toronto in an auto to come here for the game, but picked up a puncture en route, and did not arrive until late in the afternoon. Still the local team should have done better than 80 runs. Owing to the ground being hard the ball raised, and the fielders had many good chances. As a result ten men on the Hamilton side were caught out, and the other one (they played twelve a side) was stumped. Such a thing as a team being bowled out without one man being bowled could not be remembered by the oldest cricketers present.

A. H. Gibson batted well for 21. The other bowlers were W. S. Marshall, 14, and E. V. Wright, 11.

Beatty did the best bowling for Toronto, taking four wickets for ten runs; Fleury three for 43; Rathbun two for 21, and Henderson one for 2.

Toronto went in after lunch, and for a time it looked as if they were going to make a large score. P. E. Henderson made 51 by good cricket before being bowled by Ferris. S. R. Saunders also batted well for his 35 before being caught by Gibson off Seagram. Hynes made 13 and C. W. Ricketts 10. The innings closed for 135.

Hamilton used seven bowlers, but the wickets were all taken by Seagram and R. B. Ferris. Seagram did remarkably well, getting seven wickets for 32, and Ferris took four for 38.

Toronto had the luck in having the catches go just where a man was placed, and with the exception of one or two very hot ones, all were taken. Their fielding was excellent. Marshall and Saunders, the wicket keepers, did good work, as the total of five extras for both sides shows.

The teams have now each won one and one was a draw.

The Ladies' Tea Club again very thoughtfully provided tea, which is thoroughly appreciated by the players. The ladies of the Toronto club and of Rosedale have taken up the idea, and Rosedale has sent out invitations for its tea to-morrow. The Hamilton ladies have the credit for introducing the system.

Glasgow, July 1.—The Royal Ulster Yacht Club has been discussing with Sir Thomas Lipton the question of again challenging for the America's cup. Sir Thomas again told the club that he was prepared to challenge immediately if the New York Yacht Club would accept certain conditions, chiefly that the race be sailed under any modern racing rules. He would willingly concede to the New York Yacht Club the choice of the rules, and did not mind whether they were American or English. Furthermore, he did not want to make any stipulation as to the size of the yachts.

Brandon, July 2.—Loh Sebert, the Toronto boy, broke three Manitoba records here yesterday at the Manitoba amateur M. A. A. meet, and carried off the McMillan cup for all-round championship.

New London, Conn., July 2.—In a grand exhibition of rowing by a crew remarkable for its physical power and endurance, Harvard this evening defeated Yale in the annual Varsity eight-oared boat race on the Thames. The crimsoned from start to finish, and won by six lengths. Harvard's time was 21:50, Yale's 22:10. By this victory Harvard won her second consecutive boat race from Yale in 28 years.

Exhibitions and noticed the keen rivalry that exists between them as to who will hold first place, have decided to donate three silver cups to the three best 100 yards swimmers in the class, and the race will be held in the course of a few months.

Mr. H. Fleming, of the Swimming Club, received a letter from the Montreal Swimming Club offering to pay the expenses of a water-polo team to go there to play three games. HAMILTON LADIES CLUB DEFEATED BY LAMBTON MILLS' LADIES' ON WEDNESDAY.

Toronto, July 1.—E. Legge, of the Toronto Golf Club, is the new golf champion of Canada. He won the final in the Dominion tournament yesterday by defeating his clubmate, G. L. Moss, by 1 up, after going over the eighteen holes twice. Legge has been recognized for some time as one of the best among the local golfers, but the showing of Moss throughout the tournament has attracted a great deal of attention. His easy victory in the semi-finals made it evident that Legge would have a hard task in winning out the finals. The large gallery which turned out yesterday in both the morning and the afternoon, saw an exciting and keenly contested game, which was always in doubt. The loser was cool at all times, and made several remarkable recoveries. The result was not finally settled until the last hole had been played, and Legge had to earn his honor.

The game, though good for a final, was by no means perfect golf. Moss' chief fault lay in his failure to keep direction, and he was punished on most of the occasions on which he strayed from the fair course. His strong point was in his approaches and approach putts, and on several occasions he laid himself dead from 40 to 80 yards. Legge's chief liability was in his drives to the semi-final holes. At the seventh, and again at the sixteenth, he had an easy shot. Neither eventuated, simply because, in the first instance, it was unnecessary to putt out, and in the second, with two for the hole it was foolish at a critical moment to give anything away.

Perhaps one of the most interesting, and at the same time distinctive episodes of the great game occurred at the seventeenth hole this morning. Moss showed his calibre as a golfer when, after Legge had played his second, and was in the ravine, he played short from the right, opening up the hole, and eventually winning it. Waterloo at the fifteenth green, when he had a good chance for a three, but took four. Driving to the left at the sixteenth he lost that hole, and was thus one down when, leaving out the moral effect of a lead, he might have stood all square at the sixteenth.

Holmes beat good ones. Belleville, July 2.—Dominion Day was royally celebrated here, a 10-mile bicycle race in the morning and Marathon in the afternoon being the principal events.

The bicycle race was won by David Solmes, with Bert Stapley second and F. Stanley third. Time—30:44.

In the afternoon Hans Holmer, of Halifax, defeated a lassy field of runners in a race over the full Marathon distance in 2 hours, 45 minutes and 20 seconds; Orpheus, of France, was second; Davis, the Caledonia Indian, third; Obot (France) fourth, and Fred Simpson, the Ojibway Indian, fifth.

Abbie Woods, of Montreal, of whom great things were expected, dropped out at the end of the tenth mile, overcome by the heat.

Holmes finished with a sprint and looked fresh and strong. An enormous crowd witnessed the races.

BURNS WON 5 MILE RACE AT BEAMSVILLE.

Village Social Club Held a Successful Athletic Meet on Dominion Day.

Beamsville, July 2.—(Special.)—It was a great field day held by the Social Club here yesterday, and without doubt the best that ever took place in the eastern peninsula. All the events had large entries, and were contested to the finish. The Hamilton Times cup in the 100 yard dash was a fine race between G. J. Gibson, of Beamsville, and T. Murphy, of Hamilton, the home man winning by a fine sprint.

The mile event for Hon. Wm. Gibson's trophy at first seemed to have been cinched by Lister, of Toronto, but Roy Holden, from here, overtook him on the stretch, and in a hot sprint won out.

Eighteen men lined up in the 5-mile but only fourteen were able to finish, four being withdrawn on account of not being able to show their cards. Nearly seventy-five athletes were in the different events, and a bumper crowd followed the games through to the end.
