Grand Division S. of T. Convention at Moncton

The 6th annual session of the Grand Division of the Sons of Temperance of N. B. met in Moncton on Thursday and Friday, Nov. 30th and Dec. 1st. S. C. Alward of Moncton, in the chair.

Fifty-one officers and delegates were present from 15 Divisions. Those from the North Shore were: Newcastle No. 45—James Falconer, Grand Treas.; Ald. H. H. Stuart, Grand Patron. Douglactown—R. H. Jessamin, H. C. Stohart. Black River Bridge—James Godfrey, Miss Alice McLean. Harcourt—Rev. R. H. Stavert, P. d. W. P. Rexton—Geo. N. Clark. McKie's Mills—W. H. Anderson, Chas. E. Hicks and Azor A. Kay. A. A. McLeod, W. H. MacDonald and F. G. Moore were appointed a committee to decide which Division have won the prizes offered by the retiring G. W. P.

G. W. P.'s Report
The G. W. P. reported having visited a number of divisions, among them being those at Douglactown, Newcastle, Grangeville, Bathurst and Stonehaven. Douglactown says the G. W. P. "is a good working Division, and has a good many young people in it, who seem to be deeply interested in the work. With a good steady hand like Bro. Jessamin at the helm, there is no fear of failure in this Division. I found some good temperance workers among the Miramichi, but just now a dullness seems to prevail in several quarters, brought about by the war, so many young people enlisting and also many are in the lumber woods for the winter. In Chatham the Division has not met for some two years, but I made them an offer which may induce them to get the Division on its feet the first of the New Year. The Division at Loggieville had met the week before and had decided to meet monthly during the winter. This Division is in good hands. Bro. J. W. Babikirk being one of the leading lights. At Red Bank and Whiteville the Divisions have had meetings up to a week or so ago and have voted to suspend business for the winter on account of so many young men enlisting and so many being in the lumber woods. They make calculations on being in operations in March next and would like for some one like Bro. Stavert or Bro. Robinson to happen along about that time and help them to start in the work again. At Newcastle the home Division of our esteemed Grand Treasurer and Grand Patron. I also found some willing workers, but like other Divisions the war has also handicapped this Division. Yet from present indications I feel encouraged with the efforts they are putting forth. When we consider the opposition the temperance people have both in Newcastle and Chatham we can form some idea what uphill work it is, and how difficult to notice any perceptible gain. But the fact that they are holding fast what they have is encouraging if they cannot make the rapid strides they would like to. I went to the Newcastle hall on their night of meeting, but only three members put in an appearance, two of

whom were Bros. Falconer and Stuart our Grand Treasurer and Grand Patron. On that same evening there were several attractions, chief among which was a grand reception for the soldiers to wind up with a social dance, the proceeds to be devoted to the Belgian fund. This Division was organized in 1850 and has several honor members besides those who are at the front. They also own a good hall in a prominent part of the town. Continuing, the G. W. P. said that he hoped that everything that can be done is being done and will be done to repeal the Scott Act, wherever it is in force and put in operation the Act of Prohibition which has been for years the highest hopes and ambition of all temperance workers. They have worked for this a long time and he hoped to see it in operation in May next. He paid a high tribute to Women's work in the Divisions, without which the order could scarcely get along. He suggested that all Divisions located where the Scott Act is in force be requested to take up the circular sent out by the N. B. Temperance Alliance called "Scott Act vs. 'Prohibition,'" and have a whole evening given to the discussion of that circular.

Grand Scribe's Report

The Grand Scribe's report showed 49 divisions in good standing. Thirty five of these had paid up to Sept. 30, 1916, and 14 were in arrears. Three divisions—Nos. 463, 407, and 270—had been suspended for non-payment of per capita tax. The membership showed a loss of 128 during the year. Forty divisions reported \$7508.63 on hand—9 did not state their balances. Dalhousie Division's Hall had been sold under mortgage, contracted without consulting the Grand Division. The whole transaction was illegal, but it would cost more than it was worth to fight the case in the Courts. He strongly endorsed Prohibition and Repeal of the Scott Act.

The District Division has as usual held a session every quarter, forty-four sessions having been held during the eleven years of its existence. Considerable temperance work is being done in the District, both by the Sons of Temperance, and by allied bodies affiliated with and inspired by them. A county branch of the Dominion Alliance was organized in Northumberland County in August last, and is actively superintending the work for repeal of the Scott Act. Working earnestly and effectively with both these organizations is the Newcastle Town Improvement League.

Financial Statement
The District Division's only source of revenue is the collection taken at the public meetings at each quarter session. That at Burnt Church on July 15th, was \$4.32. Paid for postage, telephoning and travelling expenses, \$4.32.

State of the Order
The Committee on the State of the Order—H. H. Stuart, F. G. Moore and Mrs. E. S. Hennigar—submitted a comprehensive report which, after thorough discussion, was carried section by section, without any change, and finally, as a whole. The report regretted the small loss of membership, but rejoiced in the strength still remaining in the order; suggested that quarterly returns show average attendance and indicate more about internal conditions; noted with approval the granting of a prohibitory law for the province and recommended that our order, as it has been active in securing that law, be equally active in supporting it and trusted that, should there be any features not altogether satisfactory such in time may be remedied; recommended the work of the N. B. Branch of the Dominion Alliance; and referred with pleasure to the noble stand our young of King and Country.

Sixteen delegates, including all the new grand officers, were chosen to attend the annual meeting of the Alliance in Sussex, Dec. 6th.
Investigation Promised
To Geo. N. Clarke of Rexton, who reiterated his demand for an investigation into his dismissal several years ago as Liquor License Inspector for Kent Co., the Grand Scribe replied that the Government would

"FRUIT-A-LIVES" Brought The Joy Of Health After Two Years' Suffering

MADAM LAPLANTE
85 St. Rose St., Montreal, April 4th. "For over two years I was sick and miserable. I suffered from constant Headaches, and had Palpitation of the Heart so badly that I feared I would die. There seemed to be a lump in my stomach and the Constipation was dreadful. I suffered from Pain in the Back and Kidney Disease. I was treated by a physician for a year and a half and he did me no good at all. I tried 'Fruit-a-lives' as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no Headaches, no Palpitation, no Heart Trouble, no Constipation, no Pain or Kidney Trouble and I feel like a new being—and it was 'Fruit-a-lives' that gave me back my health."

Next Meetings
Dates for next Grand Division meetings were set as follows: Semi-annual—Second Thursday and Friday of July next, at Corn Hill, Kings County.

Annual—Last Wednesday of November next and following day, at Newcastle.
The new Prohibition Act was thoroughly discussed.
The enrollment report showed an attendance of 64—51 officers and delegates and 13 other members of the order.

All existing delegates were most hospitably entertained by members and friends of Moncton Division. After transacting much important business Grand Division adjourned last Friday afternoon, with God Save the King.

Public Meeting
There was a well attended public meeting in the same hall in the evening. A. A. McLeod presided most acceptably, and gave the address of welcome. Five solos were given by Rev. C. Flemington and Mrs. A. A. McLeod; and an excellent drama was acted by several young ladies of Moncton Division.

The Northumberland Delegation had to leave early to catch their train. Among the speakers of the evening were Geo. A. Fawcett, Revs. W. J. Kirby, W. P. McVie and R. H. Stavert, Mr. S. B. Bustin of St. John and Rev. W. R. Robinson.

Mr. W. R. Bustin
S. B. Bustin, of St. John, who was the principal personage entrusted by the provincial government with the work of framing the new Prohibition Act, said in part: "The Attorney-General in authorizing him to draw the bill, told him to 'go ahead, but what you like in it, and you will not be interfered with.' He did not think that any minister could go further than that in giving the temperance people carte blanche to frame the most stringent law of which they might be capable. In preparing the new bill, he consulted first the prohibition law of Kansas, but as this is most voluminous, consisting of thirty or forty separate enactments, it was impossible to consider it all. Nevertheless, he would like to say in passing, prohibition has been a great thing for Kansas. For one thing, the state is now free from bonded indebtedness (bonded in the sense of New Brunswick.) The people of the state are incomparably wealthier than they were before the adoption of the measure; and there are fewer criminals within her borders. After considering the prohibition legislation of Kansas and Manitoba, he drew up a bill for New Brunswick, and then submitted it to a committee which consisted of the Rev. Mr. Robinson, J. Willard Smith, Rev. Thomas Marshall, and others, by whom it was mercilessly criticized, with the object of weeding out all possible weak points. However, they had been unable to do everything they desired. They had had to provide for the regulation of soft drinks by licensing premises to sell beer containing not more than two per cent. of proof spirits. Where soft drinks are sold all over the country, he drew up a bill for New Brunswick, and then submitted it to a committee which consisted of the Rev. Mr. Robinson, J. Willard Smith, Rev. Thomas Marshall, and others, by whom it was mercilessly criticized, with the object of weeding out all possible weak points. However, they had been unable to do everything they desired.
