

CHRONIC BRONCHITIS

Cannot be cured with ordinary soothing syrups. The disease must be attacked at the root to eradicate the irritation of the lungs, heal the wounds and strengthen the respiratory organs. The composition of

MATHIEU'S SYRUP

of Tar and Cod Liver Oil and other Medicinal Extracts marks it amongst all other remedies as the true specific for the diseases of the throat, the bronchial tubes and the lungs. Here are a few conclusive proofs:

AGAINST HEADACHE there is no remedy so active as Mathieu's Nerve Powders which contain no opium, morphine or chloral. 25 cts. per box of 18 powders.

Sacrificed - to the - Green-Eyed Monster.

Or the Story of St. Benet's Belfry.

The sun was streaming across the garden of the rectory attached to St. Benet's Church, throwing the shadow of the belfry tower from the adjacent church across the mossy lawn. Hilda Scarbrook, the good rector's daughter, opened her chamber window and looked out.

MADE WELL AND STRONG

By Lydia E. Pinkham's Vegetable Compound

Toronto. - I gladly give you my testimonial in favor of your wonderful medicine. Last October I wrote to you for advice as I was completely run down, had bearing down sensation in the lower part of bowels, headache, and pain in the side. I also suffered terribly from gas.

After receiving your directions, I followed them closely and am now entirely free from pain in back and bowels, and an stranger in every way.

'Why, nurse, have you come to wish me many happy returns? I thought you had forgotten that to-day is my birthday.'

'I know,' again interrupted the girl. 'Then she went to the window, and opened it once more. "Poor mother!" she said, softly and she, too, looked out at the still churchyard.'

Why did Donald consult Thora so often? It was to Thora, he went for advice and help, to Thora he unfolded his plans and hopes. She was no longer a child to be played with and petted. She had Donald's laughter and carresses, but to Thora he took his troubles and asked for sympathy.

Such a help to us women. The most ordinary cold meat, or even bread and cheese, is 'special' when you add H.P. SAUCE.

'Come along, Thora, I will give you a hand. Come with us.' Donald stood aside as Hilda came bounding back. She seized her cousin's hand angrily, and pulled her up the winding stairs. At last they reached the belfry floor. Hilda opened the door, and drew Thora in with her.

TOWER'S FISH BRAND THE NEW FISH BRAND REFLEX SLICKER. LOOKS LIKE AN ORDINARY COAT. The inside steam lap with our Reflex Edge (patented) absolutely prevents water from running in at the front. Only five buttons. Ask for the Fish Brand REFLEX and get a better wearing, better finished, better looking slicker in every way.

Suddenly she reeled and almost fell across the swaying bells she had looked at Thora. Donald was standing by her side. She saw Thora's outstretched hands, then the great bell came between, and when she looked again Thora was clasped in Donald's arms.

Feels Better than he has for Years. DR. BOVEL'S HERB TABLETS AS A CURE FOR DYSPEPSIA.

A Toronto clergyman writes as follows: 'Gentlemen: - I have been taking Dr. Bovel's Herb Tablets for about two months for dyspepsia, an oppressive feeling round the region of the heart, also dizzy spells which entirely disappeared. I now feel better than I have for years and can honestly recommend them to anyone needing a medicine to tone up the system and purify the blood. It is pleasant to take and mildly purgative. Wishing you every success, I remain Yours truly, REV. D. CONVERY.'

heart, and she tore at her slender fingers in mingled rage and pain. Down the dark belfry stairs came Donald Fraser, a girl's limp form in his arms. He, too, crossed the churchyard, and carrying his burden deposited it on a seat almost beneath Hilda's window.
