LONDON, To-day.
The official bulletin issued on aviation by the War Office to-night, says:
Wednesday was again unfavourable for flying, but this did not prevent our planes from making several flights to reconnoiter the battle front, and attack ground targets with bombs and machine guns. One fight occurred during a clear interval between two very large formations of our and German machines were shot down, three were driven down out of control, and one hostile balloon was destroyed. Five of our machines are missing.

### **Charged With** Vagrancy.

A young man, 18 years old, was in court this morning charged with vagrancy. His Honor gave him another chance, but should he appear again in court he will be sent down for 30 days. His Honor advised him to apply at Militia Headquarters where they might find something for him to do, but as far as enlisting is concerned the accused refused. This young man who only came out of jail a few days ago, appeared in court in a filthy condition. He wears the same clothing as he did when he entered the Penitentiary, and we would think at least he could have received a hair cut down by the side of the Lake.
