BY ONLOOKER.

C.C.C. VS. TERRA NOVA.
Result: Terra Nova 2—C.C.C. 1.—Played on Llewellyn Grounds, June 24th, 1898.

The third League game drew another large crowd last night, the fair sex being out in full force. The C.C.C. elected to play against the slope, and soon the ball was rolling. After a minute's play they got the ball well on their opponents goal, but failed to score. Then it was as rapidly sent down and the T.N. secured a corner, but failed to convert. Right up the field the ball was then brought and a shot for goal was fumbled by the T.N. goal-keeper, which Brophy took advantage of and scored for the Cadets. After this the play was kept well down field, when suddenly Marshall threw in from touch, Pike captured the ball, nursed it along well, and with a capital shot put up the first for the Terra Nova's. Another attempt to score, shortly after, was nicely checked by Squires in goal, but just before half-time, Pike again got possession and goal number two fell to the "Dark Blues." On resumption of play all seemed tired and until the close it lacked interest, being slow and with a lack of combination. Several corners were obtained by both sides but all failed and at the final whistle the score stood as recorded above. Terra Nova—2, C.C.C. 1. The teams were:—

Terra Nova—Goal. H. Chaplin; backs, N. McNelly and N. Vinnicombe;

half-backs; A. Marshall, Kent and J. Gemmell; forwards, Snow, Dowden, Pike, Forbes and Soper.
(C.C.C.—Goal, Squires; backs Evans and F. Donnelly; half-backs, Murphy, Cullen and H. Donnelly; forwards, J. Vinnicombe, E. Brophy, Power, J. Bransfield and G. Rowd.
Referee—F. Maynard.
Linesmen—T. O'Neil (C.C.C.); Stan Rodger (Saint Andrew's).

NOTES ON THE GAME.

Both teams last night were lacking in that the forwards were constantly huddled together, very often playing the ball from one of their own sides and each wants some good hustler to keep them in their places. In one or two instances the passing was bad, but if these hints are taken in the kindly spirit meant, each team will do better in future. The losers need not fear more formidable opponents as they undoubtedly can put up a good game. Squires in goal is equal to his task and saved splendidly on one or two occasions. F. Donnelly and T. Evans are true in the back line, whilst Power and Brophy, though young are success as forwards—all the others put up well, if they had only "kept their positions." The Terra Nova's have several new men who played together for the first time last night. Chaplin, in goal, although he missed the first will yet do well. N. Vinnicombe at back plays a good game and is well supported by McNelly. Marshall on the right half with Kent and

Gemmell can do better work by remaining in position. Pike, as centre forward is a rusher, but received very little support, as his men seemed mixed up, especially in the last half. All of them want more practice, and at their next game (July 4th.) against the C.L.B. we may expect equally good results, and better placing of the men.

Driver's Narrow Escape.

HORSE KILLED BY TRAIN AT SPANARD'S BAY.

Mr. Jacob Barrett of Spanard's Bay had a narrow escape from death on Wednesday, when his horse was struck and killed by a train. The accident occurred as the train was leaving the station. Mr. Barrett, who was driving on a box cart, tried to pull his animal in when he saw the train moving, but he was not quick enough. The box cart was smashed to splinters and Barrett was thrown to the ground, and so severely bruised that he had to seek medical aid. The horse was killed outright by the impact.

Sir Michael and Lady Cashin

TAKE ST. PATRICK'S ALTAR BOYS FOR AN OUTING.

Yesterday St. Patrick's Altar boys were given an outing by Sir Michael Cashin, who spontaneously offered this gift to the boys. At 2.30 p.m. eight cars drew up before the Deanery and took on board the Priests of the Parish and forty acolytes. Headed by Mr. Martin Cashin in his large Palge, the party proceeded for a spin to Manuels. Then retracing their steps they motored through the city, around Quill Vill and finally drew up at Smithville. Sir Michael and Lady Cashin met the boys on their arrival and treated them to ice cream. Games were indulged in for an hour or two, and at 6 a magnificent supper was served to which the youngsters did full justice. At the close of supper, Master Joseph Michael on behalf of St. Patrick's Altar boys thanked Sir Michael and Lady Cashin for their great kindness and called for three hearty cheers for them. Return to the city was made at 8 p.m. after a most enjoyable day.

Frightened Horse Causes Damage.

CARMAN INJURED AND HORSE DAMAGED.

Mr. Frank McNamara's horse attached to a long cart and driven by Edward Woodfine, bolted yesterday from the top of Carter's Hill and did considerable damage. In its mad career the animal turned into Moore Street, but ran into a house on the corner, which brought it to a standstill. The driver was thrown off the cart, and the horse knocked down. Woodfine was cut about the eye and hand, and had to be attended by a doctor. The house was also damaged by the collision. Boys throwing stones started the horse.

With the Rod.

At Little River there was good salmon fishing last week. There are about eight rods on the river.

Advices from north say there has been good salmon fishing at Torment River and River of Ponds this season and sportsmen there have done well. L. O. Crans of Boston who was fishing the rivers along the north west coast came up last week in his yacht for Mrs. Crans, and proceeded north again the latter part of the week.

J. L. Faunce of Philadelphia, who was fishing at Harry's Brook, went

home a week ago, after a very successful season.

Humber river is now in good condition for fishing, and salmon are plentiful in the river. At Hard Scramble the salmon are numerous and on Monday morning one man landed two in a short time, one weighing 20 lbs. and the other 14. The fish were just in from the sea.—Western Star.

"The Old Nest" has Magnificent Cast

ANOTHER MILESTONE IN HISTORY OF THE NICKEL.

One of the finest casts ever assembled will be seen in "The Old Nest," the Rupert Hughes story of mother love and American family life, that will be shown at the Nickel Theatre beginning Monday. The story is a fine version of a short-story that appeared in the Saturday Evening Post, and was produced by the Goldwyn Company.

The director, Reginald Barker, well known for the many fine productions he has made for Goldwyn.

In the cast Mary Alden plays the leading role, that of the mother, who appears first as the young matron with her six children of school age. Then, a little older, with a young man she is their companion and adviser. Finally, they grow to manhood and womanhood, leaving the old nest and strike out into the world for themselves. Here, the poignancy of Miss Alden's acting as the old mother is irresistible.

Other players in the cast are Helen Chadwick, Cullen Landis, David Crittenden, Nick Cortez, Louise Lowrey, Billie Cotton, Molly Malone, M. R. ("Lefty") Flynn, Roland Ruston, Fanny Stockbridge, and the children who played in the Boeth Tarkington "Edgar" comedies, Johnny Jones, Lucille Rickard and Buddy Messenger.
