

Deaf and Dumb Instruction.

The Eighth Annual Convention of the instructors of the deaf and dumb, opened at Belleville on Wednesday, in the Ontario Institution for the Deaf and Dumb.

Mr. W. MILLER, merchant, in Bothay, sold to a Montreal buyer 100 kegs of butter, which realized the handsome sum of \$1665.54.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Easton Road, London.

CONNECTION.—In the list of prizes to the Wellington Battery, published on our first page on the 9th the names of James Elliott and P. Quillman should be substituted for Andrew Elliott and P. McQuillan.

MR. HANEY, of Orangeville, was rather unceremoniously shunted off in a railway car near Shelburne, the other day, and in consideration of the little accident has just received \$250 from the Toronto, Grey and Bruce Railway Company.

PRESENTATION.—On the 18th ult., the Rev. J. Morrison, of Cedarville, was made the recipient of a very handsome buggy and set of harness, valued on the whole at \$120.

BEARS.—From our up-country exchanges we learn that bears are very common in the townships. In Garafrax, Luther and Proton numbers of them have been seen, but very few captured.

A CROWN OF GLORY.—Nature's dowry to her children is a fine head of hair. Kings cannot give, nor wealth purchase this inestimable gift. Take care of it, less you lose it. Bearine is a healthful invigorating Dressing.

A COMPLIMENT.—When the Mount Forest Company of volunteers returned home from the camp here, Captain Winfield, in conjunction with Mr. James Watt, supplied them with a substantial tea and other refreshments, in Evans' Hall. The men speak very highly of the treatment they received from the authorities and residents of Guelph.

THE RESULT OF INATTENTION.—Referring to the accident on the 9th inst., by which a child of Mr. Louis Shelly, cooper, of Winterbourne, was drowned, our correspondent says: "At the point where the mishap occurred, the road runs across the valley of the creek on a high embankment and bridge, which forms a dam, and which on account of the noisy mills on one side and the deep water of pond on the other, with the absence of any posts or railing on either side, has always been considered a dangerous place for horses, though no accident had as yet happened. It is high time that this and similar places in the country were rendered safe to human life."
