#### NOT FAR FROM HOME

News Gathered From Our Exchanges and Various Sources

Henry Arnold, near Blenheim, suc-  
ceeded in capturing alive a white  
squirrel.

Ernest Heath, of London, was fined  
\$25 for wearing a class A service  
badge. He never wore the King's  
uniform.

Addressing the Montreal Canadian  
Club, Peter McArthur, the sage of  
Ekfrid, said E. C. Drury had told him  
that of the forty-five farmers elected  
not one had approached him to ask for  
a cabinet position, something, said Mr.  
McArthur, unique in political history.

The home of Mr. and Mrs. Samuel  
McLean, Ekfrid, was the scene of a  
pretty wedding, when their youngest  
daughter, Margaret, was united in mar-  
riage to David A. McColl, of Glenoco.  
The ceremony was performed by Elder  
J. B. Slauson, of St. Thomas, in the  
presence of only the immediate relatives.

Maurice Mooney, of Morpeth, and  
two friends had a narrow escape when  
their car turned upside down in a foot  
of water in a deep ditch in Raleigh.  
They were pinned beneath the car for  
some time, but eventually managed to  
extricate themselves. It is claimed  
that another automobile, occupied by  
three Chatham women, was responsible  
for the accident, but they continued on  
their way without stopping.

Capt. Rev. A. H. McGillivray, pastor  
of St. John's Presbyterian church,  
Hamilton, died suddenly on Friday from  
pneumonia. Before going to Hamilton  
he occupied pulpits in Newmarket,  
Weston and Chatham. In 1886 he was  
graduated from the University of To-  
ronto, and from Knox College in 1889.  
When the 173rd Battalion was orga-  
nized he was selected as chaplain and  
went overseas with that unit. When  
he found that he could not go to France  
he returned to his church. Besides his  
wife there survive two sons, his  
mother, living in Port Elgin, and two  
brothers.

Number one well of the Petrol Oil  
and Gas Company, Toronto, in Dover  
township, was shot the other evening.  
When 150 quarts of nitro-glycerine  
were used in the operation. The ex-  
plosive material was brought from Ohio  
by automobile as the railroad refused  
to carry it. The bore hole  
into which it was lowered had a vertical  
depth of 3,322 feet, or considerably  
over half a mile. The explosion shat-  
tered the rock in the hitherto dry hole  
to such an extent that the hydrostatic  
pressure forced the oil and gas to the  
surface, and nearly 100 feet above it.  
There was a roar like a mighty flame,  
and the spectators were sprayed with  
oil at a distance of 600 feet. The  
well has now settled down to a steady  
production of 2½ million cubic feet  
of gas and 200 barrels of oil every twenty-  
four hours.

#### ONTARIO'S NEW GOVERNMENT

Members of the Drury Cabinet Sworn  
in On Friday

Toronto, Nov. 14.—According to  
schedule, the Government of  
Ontario passed into the hands of  
the Farmer-Labor coalition cabinet.  
headed by Hon. Ernest C. Drury,  
shortly before noon to-day, when  
the new Premier and his colleagues  
were sworn in at Government  
House by the Lieutenant-Governor,  
Sir John Hendrie. They then  
proceeded to the legislative build-  
ings, where they were introduced to  
the staffs of their respective de-  
partments, to whom, in every case,  
each new head was practically a  
stranger.

The members of the cabinet as  
sworn in are:  
E. C. Drury, Prime Minister and  
President of the Council.

W. E. Raney, K.C., Attorney-  
General.

Peter Smith, M.P.P., Provincial  
Treasurer.

H. C. Nixon, M.P.P., Provincial  
Secretary.

F. C. Biggs, M.P.P., Minister of  
Public Works.

Beniah Bowman, M.P.P., Minis-  
ter of Lands and Forests.

Walter Rollo, M.P.P., Minister  
of Labor and Health.

R. H. Grant, M.P.P., Minister of  
Education.

Manning W. Doherty, Minister  
of Agriculture.

H. Mills, M.P.P., Minister of  
Mines.

Leontine Col. D. Carmichael, M.P.P.,  
Minister without portfolio.

Mr. Mills is sworn in as minister  
without portfolio pending creation  
of new department by the Legisla-  
ture.

Only one member of the new  
cabinet, Hon. B. Bowman, of Man-  
itoulin, was a member of the last  
Legislature, and none of the others  
have ever had seats in the Ontario  
House. Seats in the present legis-  
lature have yet to be found for  
Premier Drury and for Hon. W. E.  
Raney and Hon. M. W. Doherty,  
but it is understood that various  
offers of retirements from elected  
candidates have been received to  
cover these.

This afternoon the Drury coun-  
cil held its first official meeting.  
Many matters await immediate  
attention. The question of the  
election of a speaker for the new  
House is still to be decided.

Nothing could have been quieter  
than the leave-taking of the retir-  
ing ministers. The only statement  
made was that of Sir William  
Hearst. He said: "In retiring  
from office I have nothing to add  
to what I have already said, save  
that I recognize heartily and grate-  
fully the staunch support for good  
measures which the Government  
has received during its term of  
office from the great majority of  
the people of Ontario. It has been  
an honor and a privilege to serve  
this great Province, particularly  
during the strenuous war period  
through which we have just passed,  
and the future prosperity and  
happiness of Ontario will be my  
dearest wish."

E. C. Drury—A farmer, who has  
been actively engaged upon the  
Drury homestead at Crown Hill,  
Simcoe county, a graduate of the  
O.A.C., and a prominent figure in  
the farmers' movement for years;  
ran as Independent Liberal in 1917,  
but was defeated.

W. E. Raney, K.C.—A Toronto  
lawyer, who has been prominently  
identified with moral reform move-  
ments, having taken a leading part  
in the war against race track  
gambling; a Liberal.

farmer, graduate of the O.A.C.,  
and the University of Toronto; has  
had considerable experience in  
county administration; a former  
Conservative.

Peter Smith—A well known Perth  
county stock farmer; was formerly  
a school teacher; has had experi-  
ence as township clerk; a former  
Liberal.

H. C. Nixon—Farmer, Brant  
county, is a graduate of the O.A.C.,  
and an energetic supporter of the  
United Farmers' movement; a for-  
mer Conservative.

F. C. Biggs—Runs a big farm in  
Wentworth county, is an O.A.C.  
and business college graduate; has  
had wide experience in county  
and municipal administration; was a  
Liberal.

Manning W. Doherty—A well-  
known Peel county stock raiser,  
and an authority upon agriculture;  
post-graduate in agriculture from  
Cornell University; was a lecturer  
at O.A.C.; formerly a Conservative.

Beniah Bowman—Farmer at Long  
Bay, Manitoulin. The first United  
Farmer to sit in Legislature, having  
been elected at by-election October  
24th, 1918.

Walter Rollo—Leader of Indepen-  
dent Labor party group; a broom  
maker by trade; editor of "Labor  
News," a Hamilton man.

H. Mills—Locomotive engineer at  
Fort William, formerly a miner.

Education for several years.

#### RIDGETOWN DISTRICT OBJECTIVE

Forward Movement Strongly Endorsed at  
a Convention in Dutton

The Epworth League and Sunday  
School Convention of the Ridgetown  
District was held in the Methodist  
church, Dutton, on Friday, when nearly  
every church in the district was rep-  
resented. During the sessions plans were  
discussed relative to making the For-  
ward Movement in the district a suc-  
cess, and earnest addresses were given  
on the same subject.

Rev. W. L. Hiles, of Highgate, pre-  
sided, and Rev. A. S. Whitehall, of  
Thamesville, acted as secretary.  
At the forenoon session a Round  
Table Conference was conducted, when  
the report of the national campaign on  
Later-Church Forward Movement was  
considered, with Rev. W. H. Graham,  
president of the London Conference,  
presiding.

In the campaign to be carried on in  
the district in February the following  
are the objectives of the different  
churches in the district:

Church	New	New	New	Finan-
	Church	Church	Church	cial
	Mtbs	Mtbs	Mtbs	
Ridgetown	34	31	49	\$8552
Morpeth	34	31	49	1763
Guilford	40	55	37	1957
Highgate	90	75	49	4725
Thamesville	71	66	48	3369
Bothwell	60	45	25	1765
Moraviantown	24	12	12	717
Wardville	42	49	28	3216
Florence	50	66	66	2481
Glenoco	73	44	15	2726
West Lorne	53	71	19	1484
Dutton	46	85	11	3041
Northwood	35	45	15	1592

The following resolution was adopted:  
"That the November meeting of the  
Ridgetown District having received the  
district and circuit objective in the  
Methodist national campaign, and be-  
lieving that this great Forward Move-  
ment is distinctly of God, and that God  
is beckoning us on to the larger scheme  
for the Kingdom of Christ, we hereby  
loyally accept this objective and pledge  
ourselves to do all in our power to  
achieve the results. We respectfully  
suggest that as the objectives may in  
some cases be burdensome we hope the  
stronger circuits will go beyond the  
objectives so that the district as a whole  
will meet its obligation."

In the afternoon Rev. Mr. Caswell,  
of Toronto, and Rev. W. H. Graham gave  
inspiring addresses on the different  
phases of the movement, emphasizing  
the necessity of carrying it to a suc-  
cessful issue.

The nominating committee recom-  
mended that the officers of the past  
year be re-elected, which was adopted.  
The delegates were the guests of the  
ladies of the congregation at the noon  
and evening hour, when they were  
entertained by an excellent spread in the  
basement of the church.

#### DAVIS MYSTIFIES LARGE AUDIENCE

With His Wonderful Feats of Magic—  
Sidney Landon, Impersonator, Dec. 5

In the second entertainment of the  
Lycium series, which was held last Fri-  
day evening, Mr. Davis proved himself  
to be the master magician, as he is uni-  
versally known. For upwards of two  
hours he entertained a large audience  
with his marvelous feats of wizardry.  
One starting feat after another kept  
the audience on the qui vive as to what  
was coming next, until the climax was  
reached, when he allowed himself to be  
bound with a rope and locked in a  
trunk, but rope and iron bound trunks  
do not a prison make for this wizard,  
for in a few seconds he stood before the  
audience a free man.

Mr. Davis, with his pleasing and gen-  
tlemanly manner, coupled with his  
witty and humorous sayings, added not  
a little to the evening's enjoyment.

These entertainments, given by the  
I.O.G.E., are being much appreciated  
and liberally patronized. On December  
5 Sidney Landon, impersonator and  
reader, will be the attraction in the  
third of the series of the course.

#### LONDON PRESBYTERY

Rev. J. Malcom, of Wardsville, Accepts  
Call to Hornby

At a special meeting of the London  
Presbytery on Friday it was decided  
to raise \$145,000 for the Forward Move-  
ment. The task is undertaken as a  
thankoffering for peace and victory.

The Presbytery authorized the ac-  
ceptance by Rev. James Malcom of a  
call from Hornby and Omagh in the  
Presbytery of Toronto. Mr. Malcom  
has been stationed at Wardsville and  
Newbury.

Mr. MacGillivray has not yet made  
known whether or not he will accept  
the call to Knox church, St. Thomas,  
but provisional arrangements have been  
made for his induction on Thursday eve-  
ning, Dec. 4. Rev. Dr. McCrae will  
preside; Rev. A. L. Carr, of West  
Lorne, will preach the sermon; Rev.  
James Anthony Fingal, will give the  
charge to the minister and Rev. E. A.  
Symington, London, will address the  
people.

#### Graduates From Practipedic School

W. J. Crowder, of the T. Hockin Co.,  
recently graduated from the American  
School of Practipedics, Chicago, and is  
now busily engaged in giving relief from  
all forms of foot discomfort to the pa-  
trons of that store. The science of prac-  
tipedics consists of using the most ad-  
vanced methods of shoe fitting in con-  
junction with the scientific adapting to  
individual needs of the corrective ad-  
vice invented by Dr. Wm. M. Scholl.  
The well-known foot antiseptic. All  
sorts of foot troubles may thus be over-  
come and complete foot comfort gained.  
This free service will be a regular fea-  
ture of this store from now on. Mr.  
Crowder will not only fit feet but will  
make feet fit.

Served overseas for four years, dis-  
tinguishing himself on several  
occasions.
