TONIGHT'S MATCH.

If the St. John's team wins in its match with the Hortons at the Jubilee Rink tonight, it will be well on the way to the championship goal. The chances of the St. John's team of winning the prize are said to be very bright, especially since the Aberdeens have become somewhat handicapped by the loss of two of their best players,

FOR THE CARLING CUP. The games for the Carling Cup may be played in Waterloo next week. Tuesday and Thursday nights have been suggested to Manager Smith by the secretary of the Waterloo Club, and these were agreed to. The agreement will now have to be closed in the proper way. The Seventh Regiment team will make an earnest effort to return the cup to its home in this city. The ease with which it disposed of the Ingersoll team the other night is an indication of what it can do.

TO PLAY AT DELAWARE. A picked team from the southern part of the city will play the Delaware Juniors at Delaware on Friday evening.

DRUGGISTS WIN. The city druggists met the London Printing and Lithographing Company's team at the Jubilee Rink last night and scored a victory. The druggists were heavy and speedy, defeating every attempt of the printers at combination play, and won out by the score of 6 to 0. The winners will play their third game with the F. C. B. OTTAWA RACES. Ottawa, Feb. 19. — The ice races to-day were good and were attended by quite a large crowd despite the weather. A certificate was received from Dr. Gilpin, stating that Bivouac was suffering from an attack of acute indigestion and was unable to race. Many had played Bivouac to win, and there was much loud talk when the nouncement was made. The 2:15 pace and trot went to the Duke, who won the fourth and final heat in 2:214. He had his lead almost from the wire, although Burnham was well up when he broke. Celia's foot struck the sulky and put it out of business, but Mr. Demorest did not make any kick, stating that it was entirely an accident. In the morning an affidavit was filed with Secretary McCullough to the effect that Rex Waldorf was a ringer and had raced in Montreal last July under the name of Sachem. The affidavit was signed by Jack Burke, James Deardon and George M. McPherson. Wm. Welch, the owner, returned from Logan, Ohio, yesterday, with an affidavit to the effect that Rex Waldorf was not a ringer and that he had no race record. The affidavit was sworn to by J. W. Schlabel before A. M. Lee, attorney, Pom-eroy, Ohio. It is alleged that Rex Waldorf, is Fred Wilkins, with a mark of Secretary McCullough states 2:09½. Secretary McCullough states that he will pay over Rex Waldorf's winnings to the American Trotting Association and allow the latter to use its own judgment as to paying them over to Mr. Welch. The matter is complicated at the present time, with affidavits from both sides, but there may be a settlement of the question one way or the other before the end of the week. Summary:
