NEW YORK, May 7.—Prices during tolay's session of one hour showed great firmness, and in every department prope support. There was some short covering, but not a little substantial buying, particularly in Southern Pacific, which was the leader. The closing tone was strong, with prices at about the best of the day. Our London advices and a careful can-vass of the best opinions here, leads to the deduction that while some little irregularity may exist for a few days, no special weakness is expected to develop. and that the death of the King of England has not altered the situation here or abroad, especially where the financial horizon was showing much improvement
