WALLACEBURG A. A. PROVES SUCCESS

All Sports But Soccer Had Small Surplus To End Season.

Wallaceburg, Dec. 2.—The first annual meeting of the Wallaceburg Amateur Athletic Association, held in the public library last evening, was attended by a large assembly of members and citizens interested in the sports of this town.

The president, Mr. A. St. C. Gordon, in opening the meeting, pointed out that in order to deal with the matter regarding the old town hall, which had been loaned by the council to the association for indoor sports, it was necessary to decide whether the association would be continued next year.

The financial status of the association was most creditable, considering that it had not one cent of money to start with.

The treasurer, Mr. W. R. Martin, then read his report. The total receipts, which included 125 membership fees, dance and gate receipts amounted to $2,135.67 and the total expenditure was $1,923.88, leaving a balance in the treasury of the association of $211.79.

The intermediate lacrosse team played six league games and won three and lost three, and also beat Chatham in the championship of Kent County. After paying all their expenses, $137.49 is placed to the credit of the association.

The junior lacrosse team played four league games, and won three and lost one, and beat Sarnia in the semi-finals, but were beaten by St. Marys in the next round. They netted the association a credit balance of $35.82.

The baseball league played fourteen league games, and won five and lost nine, and also played several more exhibition games. They netted the association a credit balance of $12.27.

The rugby team played six games, and won one and lost six, and netted the association a credit balance of $33.08.

The soccer team, which was disbanded before many games had been played, came out with a deficit of $59.20. No fault lies with the management of this team for its standing, which is due to the lack of interest which is shown in this form of spot in this town.

The treasurer's report was received with much applause, and everybody expressed their satisfaction on the showing that had been made by the association in its initial year.

Managers G. Cramer, intermediate lacrosse; J. Brownlass, junior lacrosse; Burke and Delorme, baseball; Dr. E. Hicks, rugby, were then heard as to their teams' views as to the future of the association, and all signified the willingness of their players to continue in the association next year.

The election of officers resulted as follows: President, A. St. C. Gordon (re-elected by acclamation); first vice-president, A. Delorme (re-elected by acclamation); second vice-president, N. McPherson (elected by acclamation); treasurer, A. W. D. Yule (elected by acclamation); secretary, H. Shirley (re-elected by acclamation).

The honorary presidents, Messrs. Charles Hazzard, H. A. Taylor, M.D., J. S. Fraser, K.C., H. A. Stonehouse and H. Martin, were all unanimously re-elected, and the honorary treasurers elected by acclamation were Dr. S. A. Richardson, A. E. Stringer, J. Stearns, Dr. E. Hicks and W. R. Martin.

The secretary, H. Shirley, was thanked for his work during the past season and was awarded a handsome donation in appreciation of his services.

Votes of thanks were passed to the Wallaceburg Concert Band for the way they turned out for home games free of charge, and to Mr. Glenn Mickle for the great amount of interest shown in the various sports in town, especially to the younger lads.

Basketball games are to be arranged, and it is also anticipated that amateur boxing tournaments will be arranged, under the supervision of Messrs. Foster and D'Arcy McGee.

The association also decided to further the various sports amongst the school boys and give them every assistance possible.

KITCHENER RANGERS GET MAC CASEY CUP 1921-22

Kitchener, Dec. 3.—President Sammy Law of the MacCasey fall soccer series presented Secretary James Blake of the Kitchener Rangers with the MacCasey Cup yesterday afternoon. This is the second season the Rangers have won the cup, but it is the first season the cup has actually been presented to them. The cup has been in Galt since 1920, when it was won by the Galt team. It should have been presented to the Kitchener Rangers a year ago, but the Galt aggregation clung so tenaciously to the coveted silverware that President Law had to threaten legal proceedings before they would give it up for presentation to the Kitchener Rangers.

LEAMINGTON POLICE FIND BEER AT BUCKET OF BLOOD

Special to The Advertiser.

Leamington, Dec. 3.—Within the past week a local resort, known as the "Bucket of Blood," has twice been raided by provincial license officials and the police, but neither time were officers able to arrest anybody who would admit the proprietorship of the place.

Last Thursday Everett Pinder was found in the resort and arrested when police located several barrels of 9 per cent beer in the cellar. Pinder paid a $300 fine. Saturday officials made another call, found more beer and a new bartender, who gave his name as Wilson. The beer was confiscated, and Wilson tomorrow will be arraigned on a charge of violation of the O. T. A. He says he does not remember the name of his employer.

CLAIMS C. N. R. BUT A POLITICAL TOOL

Hon. Arthur Meighen Addresses Meeting in Perth in Aid of Dr. Preston.

Perth, Dec. 3. — (By Canadian Press.)—Charging that there was an influential circle within the government whose dearest wish was the failure of the National Railways and that he believed the lines would be made the "political machine of the Gouin-King government," Rt. Hon. Arthur Meighen, Conservative leader, speaking here Saturday night in support of Dr. R. F. Preston, party candidate in Lanark, declared that the action of the government in dispensing with D. B. Hanna and the old board of management was a "crime against the taxpayers of Canada."

Influential men entered the government for the purpose of seeing the lines did not succeed, and Sir Lomer Gouin and others had declared the country would be ruined if the railways proved successful, he declared.

Mr. Meighen addressed approximately 1,800 people in Balderson's Theater, and about 500 more at an overflow meeting in the town hall. During the afternoon he addressed a meeting at Lanark village.

The Conservative leader's charge against the government was that it had systematically "tricked" the intelligence of the people and was guilty of "befooling" the public. The government's record on all its policies was alike; they had failed to carry out its pledge, and during the general election campaign Liberal speakers had preached free trade in the West, while Sir Lomer Gouin and Hon. Ernest Lapointe had been preaching protection in the East, he declared.

Further, Mr. Meighen charged that the government was attempting "vulgarly to bribe the people of Smiths Falls and Carleton Place," by inferring that should David Findlay, the Liberal candidate, be elected, government orders for railway connecting rods would be placed with industries in the two towns.

Mr. Meighen characterized the new directorate of the Canadian National Railway lines as being inexperienced in railway matters, and said Sir Henry Thornton had never had an hour's experience in Canadian railway management. He was an experiment at $50,000 a year.

"I hope he will succeed," Mr. Meighen added. Mr. Meighen again reviewed the Near East crisis, and declared that the government had failed to give parliament a chance to say "yes" or "no" to the British Near East request.

Senator G. D. Robertson and Dr. Preston also addressed the meetings.

WATFORD HUNTERS GET GOOD HARVEST

Congregational Church Choir To Present Cantata At Christmas Service.

Special to The Advertiser.

Watford, Dec. 2.—The hunters from this district have returned from their ventures into the northlands, bringing with them the "spoils of the chase." Andrew Auld of the 12th sideroad, Warwick, brought back with him a big deer.

J. P. McVicar of Brooke conducted a hunting party on a three weeks' trip some twenty miles back of Massey in Algoma district. They returned with their full allowance of deer and partridge, and report a most successful trip. They also secured one large bull moose and three black bears.

The choir of the Congregational Church gathered at the manse Friday evening and enjoyed a full evening's practice. They are planning to give the sacred Christmas cantata, "Around the Manger," by E. S. Lorenz at the close of the regular service Christmas Sunday evening.

The nominations for the various municipal offices will be held Friday, Dec. 22, owing to the last Monday in the year being Christmas Day. In addition to the contest for the reeve's chair it is probable that there will also be contests for the seats on both the village council and the board of education.

The young people of S. S. No. 6, Warwick, met at the school Thursday evening in preparation for the Christmas entertainment which they purpose giving. They are meeting at the various homes in the section for practice several evenings each week.

OVERBLOUSE.

The overblouse, with its tight hip band, is growing steadily in favor. While velvet is favored for the moment, certain of the shops are anticipating spring by showing very smart blouses in white crepe de chine and the better qualities of china silk. The overblouse, it is asserted, will be the accepted thing for sports wear.

UNIQUE TRIMMING.

A unique trimming noticed on a large black velvet hat is two lilies, one of black and the other of white feathers.

WILL PROVIDE DRINKING FOUNTAINS FOR SCHOOL

Cayuga Women's Institute Indorses Installation of Sanitary Appliances.

Special to The Advertiser.

Cayuga, Dec. 3.—The November meeting of the Women's Institute attracted 50 members to the home of Mrs. H. T. Trugel on Thursday afternoon to enjoy an excellent program.

Mrs. Grant Herod's paper on "Housework" was short, clever and exceedingly interesting. Mr. Howard's talk on "Laws Relating to Women and Children" was comprehensive and instructive. Dr. Duff, principal of the public school, spoke regarding drinking fountains for the school, and these will be installed in the near future by the institute.

Motions were passed that Christmas boxes be sent to persons without many friends and that strangers in town should be entertained on Christmas Day.

A committee of eight members served dainty refreshments and four new members joined the institute, which now numbers 72.

The new cement highway through Cayuga is open to traffic.

A mock trial put on by the Literary Society of the Cayuga high school on Friday afternoon drew quite an audience of visitors to the school. The cast was good and the parts well acted. Lloyd Martindale was suing a railroad company for damages. Murray O'Neil acted as judge, Allen Kohler as clerk and James McConnell as constable. Judgment was given in favor of the defendants. Bruce Foster, counsel for plaintiff; Gladys Lewis, counsel for defendants.

The members of the Ladies' Aid of Knox Church held a bazaar and afternoon tea at the manse on Friday afternoon, clearing over fifty dollars.

OUTLINES WORK OF MISSIONARIES

Rev. Jesse Arnup Speaks At Robinson Memorial Methodist Church.

The congregation of Robinson Memorial Methodist Church had the pleasure of hearing Rev. Jesse Arnup, one of the foremost of Canadian Methodist missionaries, discourse on the growth of Methodism at home and abroad at their church yesterday morning.

He treated of the hard work and the persistent efforts of early Canadian Methodists to put their denomination on a sound footing. In pioneer days the people did not have every modern facility that we have, and consequently it was harder for them to carry on their work, and they deserve no small meed of praise for the progress they made under such adverse circumstances.

"The founders of Methodism in our country started a great enterprise," he said, "and it is the duty of every Methodist of today to carry on the work started by their forefathers."

He told also of the foundation of the Methodist Church in China and Japan some 30 or 40 years ago and the trials which the original missionaries there experienced.

"Let us make our interest in our church something worth while," he said. "We must perform great things for a great kingdom—the kingdom of God. In these days of worldly thought the need for sincerity in religion is greater than ever before and we must make haste in our missionary work in order to keep pace with the times."

"In these days the need of living up to the worthy examples of our forebears is a great one. This age is one that we can make into a great creative one for missionary work, and it is our duty to do this."

The missionary objective of the Memorial Methodist Church for this year is $1,000 The amount realized last year was $940, an increase of $120 over the collection taken up for this purpose in 1920.

WILL PRESENT PAINTING OF STEAMER TO REGINA

Montreal, Dec. 2.—Arrangements are being completed for the presentation to the city of Regina by the White Star-Dominion Line of a painting of the company's steamer Regina, as a token of esteem from the ship which has been named after the western city.

The painting, a large water color by Montagu H. Black, an eminent British marine painter, has just been received here from England. It is highly regarded as an artistic achievement. It shows the Regina at the mouth of the Mersey River at Sunset, and the artist has succeeded in reproducing to a fine degree the aspect of a sunset sky reflected on the sea. The picture bears a suitably engraved plate.

Mayor Grassick, of Regina, last spring presented a replica of the city's coat of arms to the steamship Regina in this port. It is now affixed to a bulkhead in the steamer's main companion-way beneath a painting of the Saskatchewan legislative buildings.

MONOGRAMS.

Of especial appeal to the businesswoman should be the new mannish handkerchief, 11 inches wide. The three-letter monogram in the corner is diamond shaped.

Record of Hopes

That is what the Want Columns are, for in them you will daily find the appeals of thousands who are hopeful of getting a start on the road to success.

But there is another record that is not published—it is kept in the newspaper office—it consists of thousands of letters telling of hopes realized through the medium of the Wants. And there are thousands, who never write, whose hopes were also realized.

Pin your hopes to the Wants Ads. They will help you to the fullest measure of success.
