Berlin Trims Acton

Leaders Lose in a 17 to 4 Score

BERLIN NOW HAS A FAST AGGREGATION.

The reorganized Berlin baseball nine chalked up their first victory of the season on Saturday, when, before a big crowd they put the kibosh on the league leaders, making them look like a lot of selling plasters.

The new infield is full of snap and ginger and the second and third bases being in especially able hands. The team also showed an ability to swat the globe, a feature of the game they have been deficient in. It was up to them to win on Saturday. Well, they did it up brown. The fans now view that the club can put up fast legs, and its up to the public to reward them a liberal measure of patronage.

What about the game itself. Will the twirling wing was rather slow so the management decided to put Rosekat on the slab. Did he make good? I guess yes. He was, and is still, an enigma to the Actonites. They managed to corral in all five hits, only one of them more than a single. Until the fifth inning, the ball hadn't been touched safe. He handed out a pass to the first man up, but his charity ended there. In six out of the nine innings he struck out batters, eleven in all. In the fourth, he retired the side on strike-outs. He certainly was Johnny on the spot with the real dress goods. "Crutch" Wiggins, who is the Louis Bruce or Jimmy Casey for popularity with Berlin fans, gave him gilt edged support. There were only three errors in all and only one costly. The work of McCraney at second and Whitney at third was beautiful to see. They'll do. Maxey's position at short is new to him, but his only expensive misplay was a sky throw over first.

Montcrief made good at the initial station. Poor Acton. They had come up without their world beater Organ in the box, as he is away with Yareity on a tour. They tried to palm off as a good pitcher a side wheeler named Hynds. He lasted only four innings, when McIntosh went from first onto the rubber. The team was not as strong as usual and the pitchers certainly gave Berlin a chance to fatten up batting averages. There were only two who did not get a hit (see detailed score). Diiny, the warhorse, carried off the honors. In five times to bat he collected three singles and a triple. Nearly all the others had three hits. The only ones to strike out were Monte, Wiggins, Martin and Gross.

Acton didn't get a run or hit in the first four innings, during which time eight men fanned. In the fifth, with one out, Wild hit for a base and went out in trying to renege second on the base hit.

In the sixth, with one out, Wallace singled and stole second and third, but died there as neither of the two could hit the ball. A single, a double and a costly error netted three runs in the seventh, and there the fun stopped for Acton.

Berlin scored three in the first. Montcrief and McCraney drew passes and scored on Whitney's clean double to right. The latter scored on the bum play of McIntosh on first. In the second Gross reached first because his hit to the outfield was dropped. He scored on McCraney's single. Three hits, as many errors and two stolen bases brought three in the third. In the fourth every man was at bat and they drove Hynds to the bush, hitting him up for six safe hits, among them a double. Those who hit were Maxey, Schilling, Wiggins, Martin and Rosekat and four earned runs scored. Two hits but no runs was the record for the fifth and sixth, with McIntosh in the box. But his reputation went bust in the seventh when two doubles, two triples and a single scored four runs. Two costly errors and Rosekat's fine two-baser added the last run in the eighth.

Next Saturday Galt plays here. Look out for doins'. The score: BERLIN.

TEN INNINGS AT PRESTON.

Preston, June 6.—Preston was defeated here Saturday afternoon by Galt in a ten-innings match. Up to the eighth innings the visitors had secured a solitary run to the locals' 5, and it looked like a sure thing for the Mineral Springs boys. Wilson's twirling proved easy for Preston, so the visitors retired him substituting Saunders, who did much better. Preston went to pieces in the eighth inning as a result of which Galt tied the score and won out in the tenth by connecting twice with the plate. The game by innings was as follows:

WATERLOO MOST AT GUELPH.

Guelph, June 4.—Waterloo earned the two runs they got today, and were fairly entitled to two or three more on their hitting, but for the Leads' fine fielding and Clark's care at critical times. The Leads' only error was an excusable one, a hard run ball in left which the wind was carrying away from Spira. The Leads were presented with a bunch of three in a pretty one by Spira and Seyler and Cardow, after the Leads had got two men on bases by safe hits. In the 7th another bunch came this time four runs, by infield fumbles and overthrows, with three-base hits, a pretty one by Spira bringing two men. Waterloo hit one in the second on Williams' 3-bagger and Red's single, but Gleiser's two-bagger was ineffective, men being left at second and third. Another error in the third on Cardow's base and Green's 2-bagger. There was some more Waterloo hitting towards the end of the game but the outfield took care of it. Though Bennett was not in extra good shape, he struck out 14 men. Williams was the only man who walked, on either side. The score:

COLLEGIANS PLAY WINNING BALL.

An exciting game of baseball was played at Victoria park Saturday afternoon between the St. Jerome's College nine and the East Enders of Galt. The struggle was exceedingly close and when the Collegians went to bat for their last inning, the score was a tie-7 all. Walsh drove in the winning run with a corking single. The score was: College, 8 runs, 11 hits, 5 errors; East Enders, 7 runs, 6 hits, 5 errors. Batteries, J. Geuting and R. Gorman; Barnes and McFadden. Umpire, Donovan.

This Galt Man was Lucky

Took Money, Rings and Watch

FOUND GUILTY AND IS OUT ON SUSPENDED SENTENCE.

Last summer Alfred Larter, Galt, was working in town. Here he met quite a number of young ladies and as time went by he acquired quite a supply of jewelry. From one young lady he got a watch; from another a ring and a purse containing \$105. None of these articles were returned by Larter and on Friday he was arrested by Constable Huber on a charge of theft. This morning he received his trial before Magistrate Weir. He was found guilty, but it was shown that the articles had been secured at different times and under circumstances that did not seem to show deliberate theft on the part of Larter. In none of the cases are the owners of the property the persons who lodged the charge.

The Magistrate told Larter that his taking the property and keeping it such an unreasonable length of time was wrong, as was also his gaining the affections of young ladies to get their jewelry. He had transgressed very close to the edge of the law, though it may not have been the intention to steal the things. He impressed on him the necessity of not doing such things again, and then let him go on suspended sentence.

THE DAISIES' PROTEST.

The Rubber Co's protest against the last game with the Erb & Co's eleven will be considered by the protest committee on Wednesday evening at 8 o'clock.

KRUGER-EITNER.

An exceedingly pretty wedding was that at the home of Mr. and Mrs. Eitner, 507 McLintock avenue, Detroit, Mich., yesterday evening. The bride was Miss Louise Jane Kruger, who was united in holy bonds with Mr. Albert Kruger, of Detroit. Rev. Tressett pronounced them man and wife at 8 p.m. in the presence of about 125 guests among those from outside were Miss Louise Jane from Berlin; Mr. Torney, of New Haven, and others.

The ceremony took place in the parlor, which was decorated with ferns, roses and carnations. The bride wore a handsome dress of champagne silk crepe de chene, with ecru trimmings. She carried a cluster of bridal roses and wore lilies of the valley in her hair. Miss Hattie Eitner, sister of the bride, made a charming maid of honor, dressed in a white muslin de sole, trimmed with a ribbon yoke and accordion platings, and carried a garden of day break carnations. The wedding was assisted by Mr. Ed. Guestschow. Mr. and Mrs. Kruger will reside in Detroit.

BERLIN OPERA HOUSE.

To give an entertainment such as "Around the World in 80 Minutes," the actor would first have to succeed in mastering the following accomplishments:—speaking 33 different dialects that are familiar to the American ear as we hear them spoken by the Irish, German, Italian; Yankee; English Cockney, Negro, Chinese; Hebrew, etc. Then he would have to be a character actor and personate characters of nearly every nationality bringing out each of their characteristics. He would also have to be a versatile musician and able to play on nearly every kind of a musical instrument, and especially on such as the piano, violin, cornet, clarinet, banjo and Chinese fiddle. He would also have to be a singer, and know how to sing a song that would produce the desired effect. He would also have to be a dancer, and well acquainted with the different styles, as nearly every nation have their own peculiar dance. He would also have to be a good story teller and have an expressive face—that sometimes speak louder than words—and understand what kinds of stories to select. At the Berlin opera house tomorrow evening.

STILL A TIE GAME.

The Galt intermediates and Plattsville football clubs are still tie. They played at Plattsville on Saturday but neither side could score. They will likely play off in Berlin for the championship of the district.

LAST GAME TOMORROW.

The last game of the South Perth Junior W. F. A. series will be played tomorrow evening between the junior Rangers and the Stratford Juniors. The game opens at Victoria park at 6.30.

Council Approves of Request

of Preston and Berlin Bg. Co.

TO BE MADE OF THE RAILWAY COMMISSION.

The Preston & Berlin Street Ry. Co. will tomorrow appear before the Railway Commission to apply for permission to cross the track of the Grand Trunk Co., at two places in Berlin. They desire to cross the Galt branch at a point where the electric line enters Victoria park, and to secure a subway crossing under the main line about 400 yards north of the glue works, near Mr. Kasnapin's property. They realize that if they have the approval of the town council, their hands will be strengthened before the commission, and for the purpose of passing such resolution, a special session of the council was held on Saturday evening. It was after 8.30 before there was a quorum and as soon as the mayor had explained matters, the following resolution was passed:

That this Council approves of the place and motive of the Preston & Berlin Street Railway Co. of crossing the Galt branch at the Victoria park, and also of the plan and profile, and also of the place and motive of crossing under the main line of the Grand Trunk as shown on plan and profile.

A WORLD'S RECORD.

St. Marys, June 4.—For a number of years St. Marys has been a starting place for the race of pigeons flying to Toronto and other places. On Saturday last, Mr. T. D. Stanley, of the Canadian Express office, acted as liberator in the second race on the old birds' schedule from St. Marys to Toronto, a distance of 98 miles, by the members of the Dominion Messenger Pigeon Association. Mr. Stanley liberated the pigeons at 11.30 a.m., with fine weather and everything in favor of the pigeons. The race proved to be a Canadian record and probably a world's record for the distance, as Mr. W. Gould's "Admiral" covered the journey in a few seconds less than 85 minutes, or at the rate of 2,031 miles or over one and six-tenths miles per minute.

THE FUN COST \$4.95.

Harry Miller, a young man of 24, but who looks more like 16, was in Waterloo and cut up dicos that he shouldn't have. This Flynn laid a charge of disturbing the peace, and Miller heard of it. This morning he came to the council chamber to see if Constable Huber was there. He was, and in his pocket he had the information. Miller pleaded guilty, and said he was "having a little fun." It cost \$1 and costs \$4.95 in all, or 10 days in jail. Miller belongs to the volunteers and an effort will be made to settle, so he can go to camp tomorrow.

DID HE USE A BARREL?

There's a good joke on one of our young bankers. He went out to the river Sunday for a swim. While disrobing, a gust of wind carried his clothes into the river and away they went. How did he come home? Some one said he borrowed a barrel containing the top and bottom out. Photographs of the young man and his new costume have not yet been completed.

A COLLISION.

At 2.15 today the Bridgeport car struck a wagon drawn by two horses on King street, near Hall's factory. The fender was broken; so was the wagon tongue.

VOTES FOR BONUS TO C.P.R.

Blyth, Ont., June 5.—Voting on the bylaw to assist the C.P.R. extension from Guelph to Goderich took place in East Wawanosh yesterday, and was carried by the following vote: 128 for, 79 against.

LUMP JAW.

A citizen of Berlin was out in the country toward Breslau on Sunday. He saw two cows graze by the roadside with a big lump on the jaw, from which pus was being discharged. He thinks these cases should be investigated.

THE WEATHER.

Fresh southwest to north west winds. A few local showers or thunder storms. Mostly fair and warm.

Tuesday mostly fair, stationery or a little lower temperature.

Three rinks of Berlin lawn bowlers will play at Preston tomorrow.

Three rinks on the bowling green will be open for play after this evening.

BORN.

MAECKER.—In Berlin, on June 5, to Mr. and Mrs. John Maecker, Wilmot street, a daughter.
