IN WALL STREET.

Press Despatch. New York, June 30.—There was almost as many shares of stock that changed hands during the first hour of trading today as there were for the first two hours in the newly awakened activity of the previous day's market, but the absorptive power of the market was pretty well exhausted by this spurt, and the dull were exhausted by this spurt, and the dill period of firmness which followed gave way in the last hour to a general reactively gave sufficient warning that profit taking was going on freely. The day's net changes show very small gains left for any of the speculative leaders, and some of them went slightly below last night's level under the sharp selling of the last hour to a general reaction under professional profit. This wiped all the lost incident to the great coal strike. This showing gave color and the stock. Wabash debenture bonds were freely sold at an extreme decliae of 1% owing to the disappointment of holders. The directors at their meeting yesterday had decided not to disburse any of the surplus earnings available for an interest payment upon these bonds. MONTREAL STOCKS. Montreal, June 30.—Again to-day the ocal stock market showed considerable life, but the tone was somewhat irregular Power, Coal and one or two others had recessions from yesterday's highest, wifile Pacific and Twins reflected the strength in Wall street, and held their own very well. Yesterday afternoon's "run" on Steel, preferred, when looked into, refleets nothing more or less than a pro-fessional "move." No doubt a few stop orders were uncovered, and, seeing a chance to knock a few points off the stock, some of the brokers appeared to seize upon the opportunity. It resulted in a ten-point drop from the morning quotations were decomplished by the seize upon the opportunity. Ham. Prov.

New York, June 30.—A sensational break in the prices of cotton occurred this morning, July contracts dropping 58 points. and August 34 points. For long time such a decline has been predicted, and various stories were in circulation in explanation of the remarkable losses. One was to the effect that there were internal dissensions in the pool ranks, and another that a cer-tain element of the New Orleans con-tingent was "leaking cotton." There was partial rally later on clique support. LIVERPOOL.
