which to decorate their anti-union "dummy," BRITISH COLONIST and Governor Seymour appears to have appreciated it thoroughly, The "Chairman of a public meeting for and on behalf of the people" receives a very quiet but very significant snub for the impudence and mis-AT VICTORIA, V. I.

statements of some portions of the address. Says this remarkable document "the only opposition to your Excellency's policy has had its origin in a neighboring colony, and has proceeded from a quarter which invests it with the character of a compliment rather than a disparagement of Your Exxcellency's

administrative acts." Surely the writer of this magnanimous and diplomatic sentence must be no other than the editor of the British Columbian ; for we have seen column after column of such stuff at any time during

the last nine months in the New Westminster ergan of flankeydom. How any men with Nanaimo | ordinary tact could have been induced to put such a slur on the people of - Lytton a neighboring colony while addressing complimentary phrases to their Governor is almost beyond belief. Did these foolish people really facey that Governor Clinton Seymour would take such an expression as - Clement's Lane, London a compliment? If they did we hope His 30 Cornhill, London Excellency's response will teach them a

little more diplomacy and a higher idea of A "TOOLEY STREET " MANIFESTO, human nature. "I am not aware of the op-

"The three tailors of Tooley street" is a position to which you allude" is the curt never-failing application to the ludicrous gubernatorial reply-a fitting snub to a narassumption of a few egotistical individuals row-minded and ill-natured assertion. Govarrogating to themselves the power and ernor Seymour knows a great deal better opinions of the people. In looking over the than the few fluttering parasites who surlast number of the British Columbian we rounded him in New Westminster, that find a document that well represents the whatever action the people of Victoria took Tooley street characteristic. It appears that on British Columbian matters was simply the a public meeting took place at New Westaction of those who were more deeply interminster to draw up an address to Governor ested than any others in the gold mines of Sevmour on his departure for England, and Cariboo, and who wished to see the miners that at such meeting Mr. John Robsou was taxed as little as the circumstances of the chairman. Whether ten men or a hundred colony would allow. The miners themselves, men assembled to discuss the matter, the the only producers in the country and on Columbian does not inform us, but we find whom all other occupations fatten, expressed at the bottom of the address presented to themselves in similar language to that of the His Excellency the amusingly pompous inhabitants of Victoria; but in neither the signature of "John Robson, chairman of latter place nor on the mines of Cariboo has public meeting for and on behalf of the there been anything displayed like a factious people." Mr. Robson we believe to be a opposition to Governor Seymour's policy.

modest man enough, and no way desirous of With regard to the question of union, assuming honors to which he is not entitled, the great question in the address, His Exand we must therefore attribute this little cellency's reply must have been also deeply fraud as well as folly to the rather laugh- mortifying; for instead of going into the able conceit that the expressions contained matter and denouncing everything approachin the address will be regarded by the Im-perial authorities as the true emanation of the His Excellency quietly says "he has publicly expressed his views on this question more gentlemen who assembled to do honor to His | than once. They are known to the Secretary Excellency have not forgot the fable of the of State." We all know how carefully His Excellency did touch on the question pubtunate beast of burden exposed his anything licly-how dissatisfied were the people of New Westminster with his remarks at the time, and we can easily imagine what the comparison or rather disparity between the Secretary of State is in possession of. If, New Westminster animal and the animal of however, the opposite condition of affairs existed, and Governor Seymour held as illbetter than the Home Government, knows digested and as narrow-minded opinions as that nothing can be more diverse than the are entertained by some of the more addleopinions of the two populations with regard | headed people of the capital, the policy of to the present and future condition of British the Home authorities would be no more Columbia. A number of persons in New affected by the circumstance than the Cascades are by Fuca Straits. The great capital the injustice to say all-have got the imperial doctrine from Newfoundland to Vancouver Island now is union; so determined indeed have the British Government become on this matter that we learn to feed and clothe than one. The miners of by recent mails that despatches were received in some of the North American colonies implying that an effort would be made to coerce the refractory provinces on the other side of the Rocky Mountains into Conof capital and labor is economy rather than federation, and that a Lieut.-Governor, opposed to the Confederation scheme, had been recalled. Do the handfal of anti-unionists and their retinue are more difficult to pay in New Westminster fancy that Mr. than one. The position, therefore, of "John Cardwell, now that he has the power Robson" signing an anti-union document to unite the colonies, will refrain from "for and on behalf of the people" is, to say the exercising it, until the colonies become like least. a little presumptuous. It would be pre- the eastern ones beyond Imperial control, sumptuous had New Westminster four times and able to thwart Imperial measures her present population, for then she would still Shortsighted as they are they cannot blindly imagine such a policy. If they examined the question like reasonable and practical men but when we know that her opposition to they would see that union is as desirable as what has become an Imperial policy is the it is inevitable, and that whatever difficulmost fractional antagonism-that it does not ties lay in the way of its accomplishment last year-whatever injustice there would have been in union on the terms previously sumption of the people amounts to the proposed by Vancouver Island, and we are "Tooley street" absurdity and nothing ready to admit the injustice,-there is no earthly obstacle or injury standing in the way of its consummation now. FOR AUSTRALIA .--- The bark Royal Charlie, Capt. Ross, was towed out into the Straits anti-union fanaties insulting the Governor of yesterday by the Diana, and proceeded on their colony by making an apparently com- her voyage to Sydney. FROM EUROPE.

The Great Eastern Returned-The Cable prospects hopeful-Cattle Plague in England-Ravages of Cholera-Potato Disease in Ireland-Important Continental Rumors.

The Persia from Liverpool 12th and Queenstown, August 13th, has arrived; nothing has been heard of the Great Eastern or her consorts. There was nothing new regarding the cable. The latest tests confirm the reports that the fault is about 1,200 miles out. Lord Lytton (Lyons?) succeeds Sir Henry Bulwer Lytton as Ambassador to Constantinople. The Times editorially points to the advantages and necessity of the free trade policy both to Canada and the United States. Napoleon had gone to the Camp of Chalons. Some foreign journals have invented rumors that Napoleon contemplates the annexation of Belgium to France after the death of Leopold, giving the Duke of Brabant Mexico instead of the Belgian Crewn, and also giving Venetia to Italy, the Danubian Principalities to Austria, and territory in Northern Germany to Prussia.

The Bank of France lost seven million francs during the week. The Bourse is heavy. At Rome the army is te be increased to 30,000 men. The cholera continued its ravages. The negotiations between Spain and Rome on account of the recognition of Italy are satisfactorily completed. Spain promises to protect the Pope and the interests of Rome in Spain. A good deal of rain has interfered with the harvests. There are also some reports that the potato disease is appearing in some parts of Ireland; under the circumstances the corn market had been firmer and prices advanced.

NEW YORK, Aug. 28-The City of Washington, from Liverpool, August 16th, an Queenstown, 17th, has arrived. The cattle plague continues to be a permanent topic in England. The disease is spreading. The cholera continues its ravages at Constantinople. The mortality had increased to nearly four hundred deaths daily. The weather in England continued unsettled; heavy rains interfered with harvest operations ; prices of breadstuffs were higher. The Great Eastern arrived at Cork Haven on August 17th. The cable prospects were generally regarded as hopeful; shares had improved from three to five per cent. It was thought that arrangements would be made for the immediate re-
