STABBED MAN AND ESCAPED IN AUTO

New York, May 12.—The automobile served as a vehicle for the escape of criminals here again today when some members of a motor party, including five men and two women, leaped from the car in Bronx, and stabbed Frederick Newman, a photo engraver, 22 years old, was taken to a hospital in a serious condition. Although he declared he was an innocent passerby, his companions admitted he had shouted something to the women in the car, angering the men.

DANGER PERIOD OF WOMAN'S LIFE FROM 45 to 50

Interesting Experience of Two Women—Their Statements Worth Reading.

White Oak, Ont.—"At Change of Life when doctors could do no more and I was given up by my friends, Lydia E. Pinkham's Vegetable Compound came to the front and did wonders for me. I had been having female troubles for years, my head troubled me severely at times, I had bearing down pains and backache and I was very anaemic from excessive flowing. I recommend your Compound highly and do all I can to advertise it as a genuine woman's medicine."—Mrs. SYLVESTER MANNING, White Oak, Ontario.

The Case of Mrs. Kirlin. Circleville, Ohio.—"I can truthfully say that I never had anything do me so much good during Change of Life as Lydia E. Pinkham's Vegetable Compound. 'Before I had taken one half a bottle of it I began to feel better, and I have continued taking it. My health is better than it has been for several years. If all women would take it they would escape untold pain and misery at this time of life.'—Mrs. ALICE KIRLIN, 808 W. Mill St., Circleville, Ohio.

The Change of Life is one of the most critical periods of a woman's existence. At such times women may rely upon Lydia E. Pinkham's Vegetable Compound.

It would surprise you to know of the great good that is being done by Chamberlain's Tablets. Darius Downey, of Newburg Junction, N. An official Grand Trunk Pacific party including Mr. J. E. Dalrymple, Vice President, Mr. B. T. Bell, Assistant Passenger Traffic Manager, Capt. C. H. Nicholson, Manager of the G. T. P. Steamship Co., Mr. W. P. Hinton, General Passenger Agent, recently visited the Granby Mines in the vicinity of Prince Rupert and were much impressed with the development work that has been done there.

The outstanding feature is the amount of actual mining that has taken place. Over three miles of tunnel have been dug and sufficient ore blocked-out to keep the smelter busy for at least 12 years. It is estimated that when the smelter is completed and operations are to

SUBSCRIPTIONS FOR LIBERAL CAUSE

An Appeal is Made to Supporters of the Party in New Brunswick.

The following appeal addressed to the Liberals of New Brunswick and signed by Messrs. H. R. Emmerson, F. B. Carvell and O. Turgeon, is made public:

OTTAWA, May 7, 1913.

To the Liberals of New Brunswick:

Efficient organization is the key-stone of success in business or politics. The recognition of this fact and the request of their supporters to join in sharing the necessary expense brought success to the Democratic leaders and their party in the United States presidential elections last year. The funds for legitimate party purposes, such as organization, printing, publicity and travelling expenses, were raised by a popular subscription.

The Liberals of New Brunswick are in need of more thorough organization, of committee work, and wider distribution of party literature, for which purposes a considerable sum of money will be required. We believe all loyal supporters of the party will be ready and willing to subscribe to such a fund, and we ask them to do so.

The Liberals are today fighting in the House of Commons for free speech and the people's liberties. We do not know how soon they may be called upon to struggle for their rights at the polls.

We must be ready. The Liberal party must be ready and the only way to be prepared is to organize.

In asking the financial assistance of Liberals for that purpose we are inviting every member of the party to co-operate and stand shoulder to shoulder with us in this memorable struggle. We neither expect nor desire assistance from the trusts, or wealthy corporations, whose interests may clash with the interests of the common people, and this appeal is therefore made to the masses of the electorate, who desire to maintain the rights of the people. It is far more desirable in the interests of the party that the subscriptions should be general, coming from every parish in the province, in other words, that there should be a large number of subscribers for small amounts rather than a small number of subscribers for big amounts.

Subscriptions for any amount from one dollar and upwards will be received by those in the different polling districts in the parishes who are authorized to do so, as well as by the County Treasurers, who will forward all amounts they receive directly, as well as those from parish collectors, to the Provincial Treasurer, who will acknowledge the same.

The funds collected will be expended under the direction of the undersigned Provincial committee representing the Liberal members from New Brunswick in the House of Commons, and subject to the audit of Henry E. Hill of St. Stephen.

H. R. EMMERSON,
F. B. CARVELL,
O. TURGEON.

The treasurer for St. John county will be John Lee, of Simonds, and for St. John city Frank V. Hamm, secretary of the Liberal Association. The other county treasurers will be announced in a few days.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough or cold give it a trial and become acquainted with the good qualities. For sale by all dealers.

be conducted at full strength the works will support a population of from 2,500 to 3,000. At the present time more than 500 men are employed.
