Do You Expect a Cure ? If so, don't delay too long. We have cured leds of patients suffering from consump dreds of patients suffering from consumption, bronchitis, laryngitis, asthma, catarrh and catarrhal deafness, who could not have been helped had they delayed one month longer. And we have refused treatment to over 100 cases during the last year who delayed one month too long. By the use of cold inhalations conveyed to the diseased parts by the spirometer, the wonderful invention of Dr. M. Souvielle, of Paris, ex-aide surgeon of the French army, and other proper local and constitutional treatment, we are curing thousands of cases of the above named diseases every year. mistee of the trades and labor council on Monday evening, a large amount of work was done tending towards the success of the celebration on July 21. It was determined that no solicitation of puzza be indulged in, but all voluctary contributions in this direction will be thankfully acknowledged. As very liberal terms have been secured from the various railways and stemboat lines, a large influx of visitors from the neighboring towns and villages may be anticipated, and already excursions on the occasion are being arranged from some of them. This ought not to be lost sight of by the mercantile community, who may wish to contribute towards the prize list for games on that day.
