PROPERTIES FOR SALE

SIDNEY SMALL
REAL ESTATE BROKER
16 VICTORIA - ST.

Mr. Fortier having retired from the firm of Fortier Small, I have taken over the business and hope that the clients of the late firm will extend me their patronage.

I have a list of choice city properties for sale, which include some remarkably good investments, yielding a high rate of interest, and a number of good lots which are sold on easy terms to builders.

With the large amount of Private Funds on hand my facilities for negotiating loans at lowest current rates are such that there is no unnecessary delay.

I am representing the Union Assurance Society of London, England.
