WONDER IN WELLAN

A Representative Farr Speaks.

MR. C. C. HAUN. The following remarkable facts are fully bertified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is

as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use. Mr. Hann writes as

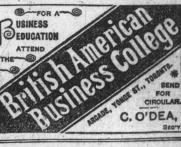

follows:
DEAR SIRS,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of covery, I tried your Ritters and got relief for a few days. Every organ of my body was deranged, the liver enlarged, hardened ond torpid, the heart and digestive organs neriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My resovery after this was steady and the cure

Messrs. T. Milburn & Co., Toronto.

Gentlemen,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although work as he ever felt in his life. Although quite well he still takes some B. B. B. eccasionally, as he says, to keep him in perfect health.

The steadily increasing sale of B. B. B., the length of time it has been before the people, and the fact that it cures to stay cured, attest the sterling merit of this monarch of medicines, the people's favorite blood purifier, tonic and regulator. MUSICAL AND EDUCATIONAL.
