

1876--31 Years of Growth.--1907

A. Brown & Co.

Watford's Largest Store,

Extends a Hearty Welcome to all the Old Boys and Girls.

Established 31 years, this store has increased the volume of its business each year by straightforward business methods. Honest and upright treatment to all has been the watchword which has enabled this business to enjoy such a remarkable growth and prosperity for thirty-one years.

Our customers of a quarter of a century ago are our friends and patrons of today. Many of the Old Boys and Girls returning to the old town were customers of this store back in the seventies, and have shown their loyalty to this establishment on many occasions since.

For all these years of friendship and patronage we are indeed truly grateful, and ask all those who visit the great Reunion on August 19th and 20th to call and see us. We will do all in our power to make your stay a pleasant one. We will be at your service.

CHAMBER'S FACTORY

Although a resident of Watford for but a few years, Mr. George Chambers has prominently identified himself with the business interests of the town, and by his enterprise and public spirit has contributed not a little to the prosperity of Watford.

When the Grand Stand at the Park is another of Mr. Chamber's enterprises that is much appreciated by all who have occasion to visit the Park.

planing mill and chopper, in connection with his lumber and coal business.

He has recently taken over the Watford Electric Light plant, and is equipping it in an up-to-date manner.

R. E. JOHNSTON

Member of Council for 1907

the world—at Peterboro, Canada will have the longest bridge span in the world at Quebec.

Canada has one of the largest single canal locks in the world, at Sault Ste. Marie.

Canada has in the Yukon, one of the richest gold fields in the world.

Canada has the richest nickel mines in the world, and the largest single nickel producing mine in the Creighton.

Canada has the richest silver-nickel cobalt deposits in the world at Cobalt.

W. S. CALVERT, M. P.

Mr. W. S. Calvert, the popular representative of the West Riding of Middlesex, in the Dominion House of Commons, is a Watford Old Boy to the manor born.

At an early age he engaged in a general mercantile business in the Village of Napier, and, as with everything he undertook, made it a success.

He represented the Township of Metcalfe for several years as Reeve, and filled the position of Warden of Middlesex for a term.

He is serving his third term in the House of Commons, and occupies the important and honorable office of Government Whip, and is one of the best known and most popular members of the House. His home is in Strathroy.

J. D. BROWN

Member of Council for 1907

The thickest known coal seam in the world—47 feet—has been found at Stellarton, Nova Scotia.

Canada's largest copper mine is the Granby in southern British Columbia.

Canada's largest freight vessel, The Midland Prince, is 486 feet long.

One of Canada's largest industrial establishments is the Massey-Harris works, with over 3,000 men.

HOME OF THE GUIDE-ADVOCATE

WATFORD PRESBYTERIAN CHURCH.

A distinguished London brewer has been appointed one of the delegates to invite King Edward to visit Canada. When the visitors approach His Majesty the band will strike up that inspiring air, "Ale, Ale, the gang is all here."
