Thrift is Patriotic Common Sense
Says Hon. T. W. McGarry

Prosperity should not be permitted to
hide need of saving.

Hon. T. W. McGarry, Provincial Treasurer of the province of Ontario is a firm believer in the gospel of thrift and a strong supporter of the War Savings Stamp Campaign. In a recent statement he says:—

"Years of progress and prosperity have tended—quite naturally—to make Canadians forgetful of the fine, homely virtue of thrift which was so admirable a trait in the character of our Canadian Pioneer. As a people we do not know what Thrift means, as it is understood in Great Britain and Europe,—the small daily personal economies which enable a man not only to live within his income, whatever it may be; but to save something every year, and which in the aggregate makes a nation rich. France (prior to the war) is a striking example of a nation rich by individual thrift.

"To-day Canada is facing a big war debt incurred in defending our country from a ruthless foe. We have got to foot the bill in one way or another, and what easier or more profitable way than by saving our money and lending it at good interest to the Government in the form of War Savings Stamps? Thrift is patriotic common-sense. Small investments in Government securities have been the foundation of many a fortune, and the War Savings Stamps system ought to garner an enormous harvest of small change from Canadians, old and young, rich and poor alike."

GUARD THE BABY AGAINST COLDS

To guard the baby against colds nothing can equal Baby's Own Tablets. The Tablets are a mild laxative that will keep the little one's stomach and bowels working regularly. It is a recognized fact that where the stomach and bowels are in good order that colds will not exist; that the health of the little one will be good and that he will thrive and be happy and good-

natured. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Some Flu Doctor Dents

Don't fail to ventilate the house daily.
Don't work or sleep in a room that is not fresh with pure air.

Don't miss the best of germicides,—sunshine.

Don't allow flu convalescents to sit or stand near an open door for a single moment. It proves fatal.

Don't sneeze or cough without use of handkerchief to face.

Don't fail to disinfect handkerchiefs, towels, utensils, etc., that have been used by flu patients.

Don't expectorate in public places, or allow others to, if you expect to escape the prevailing danger.

Don't use soiled handkerchiefs. Promptly disinfect in boiling soapuds. Crepe paper is safer.

Don't allow a "cold", sore throat or cough to go without prompt treatment.

Don't allow cold or damp feet, or a chilly body or room where you have to remain. See that temperature is not below 65 deg.

Don't indulge in alcoholics. Eat only plain, nourishing foods.

Don't close the schools. Infection is less likely in the class room than in the home.

Don't worry.

Don't worry others by visiting them while the flu is in your own home.

Don't visit the sick, unless duty calls you there.

We MUST provide for the need of the Soldier and his family!

It is absolutely necessary to ensure certain safeguards and comforts to our boys over there and over here, so that they may be re-established in Canada, strong in body and soul, contented that we at home have stood by them to the finish. What sacrifice can we make for the boys who were prepared to sacrifice everything for us?

What the Salvation Army Has Done

It has provided comforts for fighting men since the twelfth day of the War.
Hundreds of thousands of parcels of food and clothing for the boys.
Tens of thousands of beds in Hostels in daily use in France, England and Canada.
197 Huts for Soldiers.
1,200 uniformed workers.
45 ambulances.
Thousands of War widows cared for.
Looked after soldiers' families.
Labored for the Master.
Helped to preserve the home ties.
Given the MOTHER touch to lonely men.

What Remains to be Done

Keep the Hostels open and open more, so that every returning soldier can get a clean bed and wholesome meals at a price he can afford to pay.

Provide comforts and safeguards for our boys, advancing into Germany, as well as those coming home and needing a place to eat and sleep, in Halifax, St. John, Quebec, Montreal, Kingston, Toronto, London, Chatham, Winnipeg or Vancouver.

Guide and assist soldiers' families, especially the widows and orphans.
