COMMUNICATIONS.

For the Standard.

An unfortunate Lunatic of the Pemale sex, called "Crazy Betsy" has been for the last four years either quartered upon a tew of the charitable portion of the Inhabitants of this Charitable portion of the Inhabitants of this Town or wandering about the streets. I am not aware whether the poor creature has a home or not, but think a person in her state, should be taked charge of by the proper anthorities. It is a shame to see an Idiot miserably clad, roving about exposed to the searching blast of winter, while we support an asylum in Et. John where proper care is becaused an analysis in Et. John where proper care is becaused an analysis and proper care is becaused an analysis and proper care is the week. bestowed upon such persons. I hope this the week.

LATER FROM ENGLAND.

and brings papers of the 18th March, which is twelve days later than any other accounts.

The news from China is no later than we have previously received direct, by an arrival at New York. It appears that the English

at New York. It appears that the English troops in India were surprised in the passes of the mountains, and, being blocked in by snow, were overpowered and cut to pieces.

The London Morning Chronicle of the 15th says:—"No official account has yet reacted the India Board of the intelligence from India. In the dates there are discrepancies which it is difficult to understand—Capt. II. Tuckett, who is considered as authority, says he received, by the last mail, news of the death of Sir W. McNaghten and of Capt. Trevor. The Bombay Courier says

hews of the death of Sir W. McNaghten and of Capt. Trevor. The Bombay Courier says that the British stormed Cabool, and that the mews was at delialabad on the 4th January.

A later paper refers to the statement of Capt. Tuckett, and re-affirms all the accounts of the disaster, stating that there is no mistake about the dates. So complete was the cutting up of the roops and officers, that the whole command, and the office of her majesty's plenipotentiary, worth more than the office of Governor-General of Madrae, devolved upon a lieutenant not yet brevetted to a majorited to the new Parish of Fortrose. Scotupon a lieutenant not yet brevetted to a ma-

The London Globe of the 14th March contains the new tariff proposed to be levied by

The St. John Corporation Steam Ferry Money was not by any means scarce. An extract from a letter from Munchester of the 16th March, says:

The disastrous intelligence from India, with the announcement of two or three factors, and the sales have been made at a decline in prices. The stopping of two or three factories, and a proposed reduction of wages in some districts, have also continues.

A letter from Berlin, of March 8, says that the Grand Duke of Mecklenburgh Schwerin died the day before, agol 42.

Accounts from Modras state that great preparations had been made to end forward tame troops to Chius.

Accounts from Constantinople are to the 18th Frbrurry, and from Alexandria to the 231. It is said that the negutiations in Constantinople relative to the affairs of Greece were still going on between M. Guizel and the Edgish, Ambassador. The adies of Spain; also, pure a fruitful subject of the Sapist Ambassador. The adies of Spain; also, pure a fruitful subject of the days ledged were attill going on between M. Guizel and the Edgish, Ambassador. The adies of Spain; also, pure a fruitful subject of the days ledged were attill going on between M. Guizel and the Edgish, Ambassador.
