

BEAVER FLOUR
A PERFECT BLEND
OF MANITOBA AND
ONTARIO WHEAT

Manitoba wheat contains more food value than any other. It makes the most wholesome, most nutritious Bread and Biscuits. But it contains so much Gluten (Nourishment) that the dough won't rise properly, and the bread is both heavy and gray.

Ontario wheat does not give as nutritious bread as Manitoba wheat. But what it lacks in food properties, it equals in its Biscuits, Cake and Pastry. For Pastry, alone, Ontario flour is better than any other flour made of a single variety of wheat.

But there is no need to go to the expense of buying two flours.

Beaver Flour also yields MORE Bread, etc., to the barrel, than any other.

No matter what other flour you are using, you are not getting the best results because you are not using the best flour.

Order a trial sack of Beaver Flour. The first taking will prove its quality.

INSPIRING ADDRESS OF EARL GREY TO WORKINGMEN OF CANADA

AN ACT THAT WILL TOUCH AND REJOICE THE HEARTS OF KING EDWARD AND QUEEN ALEXANDRA

On his way-out to the official opening of the Toronto Free Hospital for Consumptives and King Edward Sanatorium on August 28th, 1907, the Governor-General's car was stopped in its progress outside the Canada Cycle & Motor Co. by the employees of those works. The sum of one hundred dollars was handed the Governor-General, a donation to the Toronto Free Hospital for Consumptives. His Excellency in acknowledging the ovation spoke as follows:—

"Men of the Canada Cycle & Motor Company, I thank you heartily for your welcome.

"I recognize that the three rousing British cheers with which you have greeted me, and which were so pleasant to listen to, have been given because I have the honor to be the representative of your King.

"I can assure you men of the Canada Cycle & Motor Company, that it will give me great pleasure to tell His Majesty, the King, how you have stopped me on my road to open the King Edward Sanatorium and Toronto Free Hospital for Consumptives, in order that you might give expression to your loyalty, and in order that you might present me with your contributions in support of the Hospital.

"I know that your action in subscribing out of your hardy work earnings, so large a sum as one hundred dollars, will touch and rejoice the hearts of King Edward and Queen Alexandra than the health and well-being of His Majesty's Canadian subjects, and there is no form of work in which Their Majesties are more interested than Hospital work.

"Therefore I say every man among you who has saved a quarter from out of his earnings, in order to help those who are endeavouring, by means of Hospital, Sanatoria, etc., to conquer consumption, and to banish it from the land, is following the example of our King, and is making a truly Royal gift.

"In the name of the King I thank you for your public-spirited generosity. I hope that your example will make its influence felt throughout the length and breadth of Canada."

Referring to this event at the opening exercises of the Sanatorium, His Excellency said:—

"Ladies and gentlemen, when the workingmen of Canada are setting an example of this character, I hope that you will not be slow to follow, and I trust that the example of the Canada Cycle & Motor Co. may be followed, as I am sure it will, by every factory and manufacturing industry throughout the land."

Sir Mortimer Clark, Lieutenant-Governor, in his speech on the same occasion, said:—

"You see what others have done. I trust, ladies and gentlemen, that what they have accomplished will be an incentive to you to follow their example."

This appeal is on behalf of the Muskoka Free Hospital for Consumptives, an institution that accepts patients from all parts of Canada and that has never refused a patient because of his or her inability to pay.

Contributions may be sent to Sir Wm. R. Meredith, K.C., Chief Justice, Ontario, 441, Toronto, W. A. Gray, Esq., Secretary-Treasurer National Sanatorium Association, 547 King Street, West, Toronto, Canada.

NEW WAY TO BE WELL
Healthfulness of Oranges.

The one lesson which most people never seem to learn is, how to guard their health.

We have been eating oranges since time immemorial, yet how many of us know that orange juice contains a medicinal principle which has a marked action on the stomach, bowels, kidneys and skin. Some physicians go so far as to say that they can cure the average case of indigestion, Constipation, Biliousness and Dry Skin with orange juice and proper diet.

This can be easily proved to the satisfaction of any sufferer. Take the juice of one or two oranges every morning before breakfast, take one or two "Fruit-a-tives" every night at bedtime, exercise a reasonable cure to diet, and the proof will be found in the health.

The cure will be greatly assisted by taking "Fruit-a-tives" in conjunction with the orange juice. "Fruit-a-tives" are fruit juices which the medicinal principle of orange juice, figs and prunes are combined. Increased by the special way in which they are combined, "Fruit-a-tives" are made into tablets. "Fruit-a-tives" may be obtained at all dealers, or will be sent postpaid on receipt of price for a box—4 for \$2.00. "Fruit-a-tives," Limited, Ottawa.

Old Raspberry Shades Revived—Lace Sleeve Ruffles Smart.

One of the new pinks that is fashionable this season both for silk and cotton fabrics is the old raspberry shade, only deeper and brighter.

Lace sleeve ruffles dangling over the knuckles is a fashion that is being revived. Adjustable pongee collars and cuffs with linen shirt waists and linen collars and cuffs in white or colors with pongee waists is one of the new fancies. On some pongee waists the collars are of the pongee, with an ascot

Satin Straw Pompons on Hats—Jeweled Corset Clasps.

Many of the new spring hats are trimmed with pompons of satin straw or a lighter straw of a different color from the hat. To these are sometimes fastened a quilt made of satin or silk, although the combination is considered smart, it cannot help giving the creation a ready-made effect.

Not a Miracle But Medical Science

Dr. T. A. Slocum, Limited, Toronto, Ont.

"Some time ago I began to lose flesh and failed every day until I had to quit work. My physicians and all my friends said I had contracted consumption. I failed from 165 pounds down to 119. I was advised to go to the Rockies or to the coast. I went to both places under heavy expense. I continued to fail, and was advised by the doctors to come home as nothing more could be done for me. Hope seemed to have left me.

"I tried Psychine and since starting its use I have gained from 119 to 141 pounds. I have used \$10.00 worth of the medicine. I am a well man and I cannot say too much in praise of Psychine. The strongest recommendation would be weak in view of the fact that I believe it has saved my life. It is without doubt the best remedy for run-down conditions and weak lungs.

"I sincerely hope and trust that you will continue your good work of saving run down people and consumptive from the grave. Wishing you and Psychine continued success, I remain, one of Psychine's best friends."

ALEX. McBAR, Saul's Bay, Mar. 10, Ont.

The utterly inadequate salaries paid to teachers are beginning to raise a feeling that all is not fair, and that those who have the making of future citizens should be a better salary than a day labourer. Pennsylvania has decided on a higher scale, and from now on, nothing less than \$40 a month will be paid.
