NEW THINGS FOR 1897

"ODDFELLOW," the New Field Pea, entirely bug-proof, distinct from all others, grand yielder, fine quality. Note—Every bushel sown this season will be required for seed next year, at high prices. Prices for 1897—Lb. 20c.; 6 lbs. \$1, by mail, postpaid. Pk. \$1.75; bush. \$1.50; bush. \$2.50; carriage extra.

"DANISH IMPROVED," the Red Top Sugar Beet used exclusively by the world's famous butter makers in Denmark. Imported direct expressly for our own trade. If you keep milch cows, try it. Prices for 1897— $\frac{1}{2}$ " 20c.; $\frac{1}{2}$ lb. 30c.; 1 lb. 50c.; by mail, postpaid.

"ROSE OF THE NORTH," the Greatest (Early) Potato Novelty of the Century. Originated with Mr. Wm. Naismith, the Canadian potato expert. Scarcely once in one hundred years is a variety like this secured, yielding at such an enormous rate—900 bushels per acre. Prices for 1897—Lb. 50c.; 2½ lbs. \$1, by mail, postpaid. $\frac{1}{2}$ pk. \$2.50; 1 pk. \$4; carriage extra.

These Novelties are controlled exclusively by Wm. Rennie, and sold only direct to Farmers, to avoid every possibility of fraud. Read about them in our 1897 Catalogue, free to all intending purchasers.

Manitoba

Look up its advantages
Before going elsewhere!

25,000 farmers produced over 60,000,000 bushels of grain in 1895.

Over 10,000,000 acres of land in the province have never been cultivated, and can be purchased on easy terms from \$2.00 to \$10.00 per acre.
