

# Select Ornamental Trees and Shrubs

¶ The most careful and complete systems of transplantation, combined with the situation of our nurseries, enable us to dig thoroughly hardy, healthy, well-rooted specimens of fruit, ornamental and other trees, plants and vines including "specimens" for street, avenue and park plantings.

¶ Our prices, taking into consideration superior qualities, will be found most moderate and our personal attention is given to all enquiries relating to prices and advice on planting.

(ESTABLISHED OVER QUARTER OF A CENTURY. NURSERIES ETC. OVER 800 ACRES).

## Duplicators

With the typewriter in universal use, every business man and every professional man as well, has use for a duplicating machine of some kind, for making easily and quickly a number of fac-simile copies of a typewritten original.

We sell several devices for the purpose: the Hectograph at \$3.50; the Box Neostyle \$15; the Rotary Neostyle, \$35; and the modern Flexotype, which produces 10,000 perfect typewritten letters an hour, at \$250.

## BELL GLASSES

FOR GREENHOUSES AND GARDENS

Expert growers in Great Britain use thousands of Bell Glasses. They are of great assistance in growing seedlings or protecting plants from late frosts. The use of Bell Glasses makes a difference of from two to four weeks in the growth of plants.
