Attention is called to the changes which have been made in the manner of instruction and the time of the commencement of the Session. Instruction will be given by lectures, recitations and practical exercises. New and thoroughly-appointed laboratories for practical instruction in mechanical dentistry, chemistry and physiology, have been provided with separate desks and benches for each student. The Infirmary, which has been established in connection with the Massachusetts General Hospital, remains open throughout the year, and offers to students unsurpassed facilities for acquiring practical knowledge and dexterity.

The Session will commence on the LAST THURSDAY, (28th) SEPTEMBER, and continue nineteen weeks.
