THE INTERNATIONAL CHAMPIONSHIP.

The London Free Press says:—"It is feared that the Maple Leafs, of Guelph, and the Live Oaks, of Lynn, Mass., seeing that there is no chance for them winning the International Championship pennant will not finish their series of games with the other clubs in the field. If such is the case, the majority of the games won from these clubs will be struck off the list by the Judiciary Committee, which will materially alter the standing of the clubs in the race. The Maple Leafs, having played two games with each of the other clubs (excepting the Live Oaks, who have no intention we hear of visiting Canada this season), only two games, according to the rule will be struck off from their total, which will leave the Allegheny total games won from the Leafs, leaving their total at 11 won and 4 lost. In the case of the Live Oaks all the games won from them by other clubs will be struck off, because they have not played one of the series with all the clubs. By this, the Alleghenys will lose two games won by them, which will reduce their total to 11 won. Then the struggle for the pennant will be between the Alleghenys and the Tecumsehs, each having three games to play to complete the series. The Alleghenys have two games with the Rochester and two with the Tecumsehs, whilst the latter have two with the Buckeyes, and one with the Alleghenys. In the event of the Rochester being defeated in both games by the Pittsburg nine, and the Buckeyes by the Tecumsehs, then the fight for the pennant will be between the Tecumsehs and the Alleghenys on the former's grounds, the winner of which will be declared the champions."

BASE HITS.

Dixon, formerly of the Maple Leafs, has joined the Rochester, and took part with that club in their game against the Indianapolis on Saturday last, when the Flower-City boys checked the "western fellows" by a score of 2 to 0; to which Dixon contributed with four assists and no errors. Sullivan, also of the M. L., linked his fortunes with the Rochester this week, and now they think they have a team that can scoop up any club in the country.
 The Tecumsehs of this city, visited Markham on Saturday, and played a game with the Iroquois of that village. The city boys learned a thing or two about the game from their rural friends, and came home with a score of 15 to 7 against them. The home-

JIM WARD WILL SHOOT ANY ONE.

If Bogardus' challenge, published in last week's paper, has been really issued in good faith, he will have a chance to try his skill with the clever single-handed popper, James Ward as will be seen by the following proposition. Bogardus says his motto is "put up or shut up; we will now see if he feels like acting up to the letter of the lines so ostentatiously display in his escutcheon, or if he holds it like a holiday flag to be run up or taken down as the occasion may require.

I send you the following challenge: If any one would like to come to Buffalo and shoot a match, I will back my brother, James Ward, late of Toronto, but now of Buffalo, to shoot against any man in the world for five hundred dollars a side, the match to be shot at Buffalo, N. Y., to be governed by the new rules of Canada for pigeon shooting. I will furnish all birds free, and allow any one that accepts it twenty-five dollars for expenses. I shall require one month's notice through your paper before the match, so as to give me time to procure birds. If I cannot procure the small birds I will furnish pigeons and shoot at double and single rises, to shoot by the same conditions as I name in my challenge. The match to be half forfeit; the editor of the *Live Oaks* and *Farm* to be stakeholder and name a referee, each to shoot at five, single and double rises from ground traps (two, one yard, one one and a quarter of a mile, measured by the measure, and each to be placed by the stakeholder from two ground traps eight feet apart, and the traps to be placed ten yards apart.
 If this match is accepted, let any one put up half forfeit and I will immediately attend to it and put up the balance of the money one week before the match.
