Small Profits

Universal Satisfaction!

The only extensive dealer who makes a

Specialty of Approval Sheets.

Our business in the printing up and sending out of approval sheets has grown to such proportions that we are unable to do the work ourselves. We therefore employ a number of excellent workmen who are employed on this work, and we think we may safely say our sheets are without equal, or if so, are not surpassed.

WE WANT AGENTS!

In every town, village or city in Canada and the United States, and in those we can allow a commission of 25% on the net profit from the sale of our sheets. We have a large stock of sheets on hand, and we can supply you with them at once.

We want you to act as our agent, and we will require that you receive the 25% commission, and we will not pay you until you have sent us the sheets you wish to be sent to you.
