One of the boys on the *Jubilee Philatelist* staff, says that rumor has it, that Messrs Starnaman Bros., did not get out their 100 page issue. This shows that whoever wrote it knows nothing about what rumor says. We stated that we intended to issue a special 100 page issue to celebrate the 20th century, and if the writer will look up our promise he will see his mistake. Our success with the last issue has convinced us that we can issue a one hundred page issue Jan 1st 1901. For our part we know that rumor says, we issued a "larger number than has been," being the largest issue of any stamp journal for three years.

The rush for the Official Handbook and Starnaman's Directory of Canadian Collectors has been simply enormous. We still have a number to sell at the following prices. One book 15c, two for 25c, five for 50c. We have hundreds of recommendations and it has more than satisfied all who received it. All orders sent postpaid. We accept one- and two-cent Canadian or U. S. postage stamps but prefer Express Order, money order or postal note. The Handbook contains 100 pages with illustrations of prominent collectors and list of names of over 1300 active Canadian collectors. It is truly the greatest book of the last year in the century. Many have said it is worth fifty-cents, and one collector said he would not take \$1.00 cash for it if he could not obtain another. We will give the Handbook as a premium with the Advocate at 25c to renewals or new subscribers.
