

To Mill-Owners.

AMERICAN LEATHER BELTING.

OUR tannery near Providence, Rhode Island, is devoted to the tannage of Leather for Belting and no other purpose. Our Belt Factory in connection is second to none on this continent. The Belting we manufacture is of a very superior class, and such as cannot be compared with that made and sold by makers who sell at such low prices that the quality has to be reduced. If users of Belting would keep an account of the time lost in "taking up" and repairing these poor quality belts, they would find cheap belting a very expensive article. We offer a guarantee that our Belts will stand more strain, run straighter, and last longer than any bark-tanned Belting made. We keep on hand at our Toronto warehouse a larger stock than any other makers or dealers in Canada.
