NO COMPETITION

Not the kind where A says that the A piano is the best, B asserts that the B piano is the best, C affirms that the C piano is the best, and so on. That kind of Competition is an old story: a friendly rivalry under one roof, tending to exactly suit the purchaser—that is what our salesrooms offer.

THE INSTRUMENTS OF

FIFTEEN NOTED PIANO MANUFACTURERS

Are presented side by side. Each make of Instrument, being sold under the fullest Manufacturers' Guarantee, is selected by us the best obtainable at the price asked. Every variety of size, style, and finish, but only pianos of proved durability are offered. A visit of inspection will disclose all that is latest and best in construction.

Our stock is unique in its variety and displays choicest instruments from the factories of

HAAS, HARDMAN, FISCHER, GERHARD HEINTZMAN, KARN, WEBER, SOHMER, AND MASON & RISCH,

as well as a number of used pianos ranging in price from \$75.00 upwards. Correspondence Solicited.
