There are Three Hundred and Seven Stations in the Dominion. If Each Officer in Charge of Each Station

## For the Ve-ry Lit-tle Ones.

One day a ve-ry lit-tle child was playing with a ve-ry pret-ty toy. She wander-ed a-way from her ma-ma's house, but on she went, un-til she got to one of the big streets, where there were alot of peo-ple and hous-es. A po-lice-man saw her, and could not un-der-stand why she was by her-self, be-ing so lit-tle and young. He ask-ed her where she liv-ed, and what her name was, but she went on playing with the toys un-til the po-lice-man took her to a place of safe-ty.

This poor lit-tle girl was led a-way by think-ing too much of her toy. She for-got home and her pa-pa and ma-ma, for a time, who lov-ed her so much. This is very oft-en like lit-tle chil-dren; they are so tak-en up with their toys and play-things that they for-get ev-ery-thing else. Some for-get to be kind, and to pray, and to love Je-sus, all be-cause they love their play-things so much, and af-ter all the toy soon breaks, and has to be thrown a-way.

Let us each one love Je-sus hest, and nev-er al-low any-thing to rob us of the love we have for him. Pray to Him much, love Him much, and Je-sus will bless you much.
