

Mr. J. B. GOUGH IN BROCKVILLE.

It will be seen by the papers and hand-bills about the city that this distinguished temperance lecturer is to deliver a series of lectures at Brockville during the Provincial Agricultural Fair to be held in that town on the 24th, 25th and 26th inst.

This will be a good opportunity for all who have not heard the great champion of truth to do so and at the same time attend the fair. We hope all who can do so will avail themselves of this opportunity.

LONDON CADETS.

The Cadets of London held a soiree in the latter part of August which was a well got up affair and numerously attended. We are happy to see that our late townsman, the Rev. Mr. McClure, attended and spoke. There is no better friend of the cause of temperance and of our order in Canada than this brother. The Ontario Division recently passed a resolution of regret at his leaving the division.

PERTH DIVISION MUSIC.

The Brockville *Recorder* says that this division are about to purchase a fine Brass Band. It is one of the excellent features of our order that the divisions generally patronize bands of music. It is well that all should be jovial in so good a cause. No man has such spirits as he who drinks nothing but pure cold water. The joy of the bowl is all artificial but that begat by water is nature's impulse.

BYTOWN:

At the sessions of 12th August ultimo, the following resolutions were unanimously adopted by Bytown Division, No. 224, Sons of Temperance:

Resolved—That any member of this order in good standing coming from other divisions in this Province, will at once be received in this division and put upon the same footing as the members of this division—providing such member brings from the division, which he has left, a certificate, that members of this division will be received by them on the same principle.

That our representative to the Grand Division be instructed to urge the necessity of every division in the Province adopting the same principle.

A Case of Chronic Rheumatism of fifteen years standing, cured by Hallford's Balsam and Hope's Pills.

Toronto 13th Dec., 1848.

DR. URQUHART:

Dear Sir,—I hereby certify, that I have been afflicted with Rheumatism for fifteen years; for a considerable time I was confined to my bed, and the greater part of the time I could not move myself; some of my joints were completely dislocated, my knees were stiff and all my joints very much swelled; for the last three years, I was scarcely able to do three months' work without suffering the most excruciating pains. I was doctored in Europe by several physicians of the highest standing in the profession, as well as in this Province. I was also five months in the Toronto Hospital, and, notwithstanding all the means used, I could not get rid of my complaint; indeed I was told by very respectable physician that I never could be cured so that at the time my attention was directed to your Sir HENRY HALFORD'S IMPERIAL BALSAM, for the cure of Rheumatism, Rheumatic Gout—and DR. HOPE'S PILLS I was despairing of ever getting cured; when I called on you, I was hardly able to walk, and what was most miraculous, in three weeks from my commencing to take your medicine, I gained fourteen pounds in weight; my health was much improved, and in about three weeks more my Rheumatism was completely gone and my health perfectly restored. I now enjoy as good health as any man in Canada, since my recovery I have walked forty-six miles in one day with perfect freedom, and I assure you, Sir that I feel truly thankful. You can make any use of this you please; my case is known to several individuals of respectability in this city, their names you know, and can refer to them, if necessary.

Yours, truly and gratefully,

THOMAS WRIGHT.
