TEMPERANCE.

At a meeting of the Church clergy of New York held on March 19th, the following resolutions were adopted:

- 1. That there is nothing in the trade of the saloon keeper which should make it an exception to the long settled policy of the State, which protests the right of rest and quiet worship on Sunday by forbidding ordinary traffic on that day,
- 2. That the Sunday liquor traffic is especially dangerous, because on that day large numbers, released from their ordinary employments, are tempted by the open saloon, to spend in drink and dissipation the earnings needed for the support of their families.
- 3. That the deleterious influence of the Sunday saloon is shown by the remonstrances which are uniformly made by all religious bodies against the location of saloons in the neighborhood of their churches.
- 4 That the social and political advantages which attract to our land such large numbers of immigrants are chiefly due to that intelligence and morality which the American Sunday observance nurtures, and foreigh-born fellow-citizens should gladly submit to the restrictions which experience shows to be needful to the best interests of all classes.
- 5. That the experience of tormer years in this and other cities shows that, with an honest and incorruptible police, Sunday closing of the saloon can be substantially enforced.

HEALTH AND HAPPINESS.

HOW IT WAS FOUND BY A LANARK CCUNTY LADY.

She Had Suffered for Years from Weakness and Pains in the Back—Sciatica Comple-cated the Trouble and Add-d to Her Misery-Her Health Almost Miraculously Restored.

From Brockville Recorder.

On a prosperous farm in the township of Montague, Lanark county, lives Mr. and Mrs. Joseph Wood, esteemed by all who know them, Mrs. Wood was born in the village of Merrickville, and spent her whole life there until her marriage, and her many friends are congratulating her on her recovery to health and strength after years of pain and suffering. When the correspondent of the Recorder called at the Wood homestead, Mrs. Wood, although now not looking the least like an invalid. said that since girlbood and until recently, she was troubled with a weak back which gave her great pain at times. As she grew older the weakness and pain increased, and for nearly twenty years she was never free from it. About a year ago her misery was increased by an attack of sciation, and this with her back trouble forced her to take to bed, where she remained a helpless invalid for over four months. Dirferent doctors attended her and she

a cure for her trouble, but despite all

She was advised to try Dr. Williams' Pink Pills, but she had dosed herself with so many medicines that her faith in the healing virtues of anything was about gone, and she had fully made up her mind that her trouble was incurable. At last a friend urged her so strongly that she consented to give the Pink Pills a trial. Before the first box was all used she felt a slight improvement, which determined her to continue this treatment. From that out she steadily improved, and was scon able to be up and about the house. A further use of the Pink Pills drove away every vestige of the pains which had so long afflicted her, and she found herself again enjoying the blessing of perfect health. Eight months have passed since she ceased using the Pink Pills, and in that time she has been entirely free from pain or weakness, and says she is confident no other medicine could have performed the wonder Dr. Williams' Pink Pills have done for her. She says 'I feel happy not only because I am now free from pain or ache, but because if my old trouble should return at any time I know to what remedy to look for a release.'

Dr. Williams' Pink Pills are especially valuable to women. They build up the blood, restore the nerves. and eradicate those troubles which make the lives of so many women, old and young, a burden. Dizziness, palpitation of the heart, nervous headache and nervous prostration speedily yield to this wonderful medicine. They are sold only in boxes, the trade mark and wrapper printed in red ink, at 50 cents a box, or six boxes for \$2.50, and may be had of druggists, or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont,
