

Storm Proof

Securities which during the war were eagerly bought as good investments are to-day infinitely better ones.

VICTORY BONDS are Canada's storm-proof security.

The investor who protects himself with such a security places himself in an impregnable position. No matter what financial storms or stress time may bring, the principal will be unimpaired, the intrinsic value unaffected, the income certain and the market value at any time less affected, relatively, than any other kind of security or property. Moreover, the Government will pay it off when due at 100 cents on the dollar.

The wise man takes precaution early. He protects himself, his family, his other investments and his property by holding a good proportion of such a storm-proof security. VICTORY BONDS can be purchased to-day at their lowest prices. They may be procured in many different maturities and in any amounts from \$50 upwards.
