ESTATE **T. JAMES CLAXTON,**
NO. 39 ST. JOSEPH ST. MONTREAL.

Mercantile Summary.

CANNINGTON, lately incorporated as a village,
has this year an assessment rate of 26 mills in
the dollar.

SOME 5000 logs 'jammed' in the river below
the Fenelon Falls the other day, being piled in
some places five feet high.

THE Inland Revenue receipts at St. John N.
B. for August, amounted to \$20,491 against
\$20,635 for the like period last year.

A WELL-to-do farmer was fined \$30.00 at
Farmersville the other day, for watering milk
before taking it to the creamery for sale.

FIFTEEN mills in the dollar is the rate of
taxation fixed upon for Winnipeg this year,
eleven mills of this amount is for municipal
purposes, the remainder for schools.

THE creditors of Mr. William Smith, trader,
of Wingham, met recently and a majority were
disposed to grant him an extension of time. He
was censured however, for having fully secured
some creditors.

THE Silver mine at Spar Island near Prince
Arthur Landing is yielding some good speci-
mens of silver ore. A good show of that ore is
also made by a new mine at the back of Sault
Ste. Marie.

EDWARD NEILD & Co., a haberdashery import-
ing and manufacturing firm in Montreal
established a number of years, has just stopped
payment. In 1875 they showed a surplus of
\$53,000; but their losses by bad debts in the
four years since then have been \$45,000.

A MEETING of the creditors of J. E. Lawlor
& Co., general dealers, Dartmouth N. S., has
been called. The difficulty in this firm's case
appears to have been that they gave too free
credit, became too much spread out, and were
loose in the conduct of their business.

THERE would appear to be an inglorious end-
ing to the once extensive and busy Moorhead
Furniture Manfg. Co., of London. We are told
that the stock has been removed from the ware
rooms, and that the factory is closed, and that
while Mr. George Moorhead is still about the
Forest City, Mr. W. A. Moorhead has left it for
Chicago.
