SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion, in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-West Territories and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of \$1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of \$5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,

Deputy Minister of the Interior.

OF PERSONAL MENTION.

Mr. George H. Balfour, general manager of the Union Bank, spent a few days in Vancouver on his way from Victoria, where he had been recuperating from a severe injury he sustained in Winnipeg at Christmas time last year. He has fully recovered and will throw himself into his life work, managing the affairs of the Union Bank, with renewed energy. To Mr. Balfour must be credited in large measure the tremendous strides which the Union Bank has taken during the past fifteen years, placing that institution among the leaders of the chartered banks of the Dominion. While in Vancouver he expressed himself as very optimistic of the future.

Mr. James A. Farrell, president of the United States Steel Corporation, was a recent visitor to Vancouver and Victoria. While in Vancouver he addressed the Canadian Club. He stated that he believed the United States was on the way to industrial recovery, and that this could not help but have a beneficial reaction on Canada.

Mr. H. D. Burns, who recently relinquished the Vancouver branch of the Bank of Nova Scotia, where he has been located since 1906, has been appointed superintendent of Western branches, with headquarters at Toronto. His jurisdiction will extend to the branches of the bank west of Ontario. His many friends in British Columbia extend their congratulations for his elevation.

Mr. A. G. Fraser, director of the Seymour Arm Estates and the Alliance Investment, has taken general brokerage business at 536 Hastings Street West, Vancouver.
