1. Electronic Record Search

The Reporting Canadian Financial Institution must review electronically searchable data maintained by the Reporting Canadian Financial Institution for any of the following U.S. indicia:

- a) Identification of the Account Holder as a U.S. citizen or resident;
- b) Unambiguous indication of a U.S. place of birth;
- c) Current U.S. mailing or residence address (including a U.S. post office box);
- d) Current U.S. telephone number;
- e) Standing instructions to transfer funds to an account maintained in the United States;
- f) Currently effective power of attorney or signatory authority granted to a person with a U.S. address; or
- g) An “in-care-of” or “hold mail” address that is the *sole* address the Reporting Canadian Financial Institution has on file for the Account Holder. In the case of a Preexisting Individual Account that is a Lower Value Account, an “in-care-of” address outside the United States or “hold mail” address shall not be treated as U.S. indicia.

2. If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account, or the account becomes a High Value Account described in paragraph D of this section.
