

## SUPPLY—LABOUR GAZETTE CORRESPONDENTS.

*Crothers, Hon. T. W.* (Minister of Labour)—1442.

There has been no change whatever in the management. Mr. Girard might have been dismissed for partisanship—1442. It was on the report of the officer that the changes were made, not on the ground of partisanship—1443. Anybody dismissed will be replaced by a Conservative if one can be found capable, Mr. Moffat—1444. Thinks the report was presented to his predecessor, but proper action not taken—1445.

*Maclean, A. K.* (Halifax)—1443.

Asks the reason for the discharge of the correspondents at Amherst and Springfield, Nova Scotia—1443.

*Pugsley, Hon. W.* (St. John City)—1443.

It appears that a first-class man has been dismissed for alleged incompetence—1443.

*Verville, A.* (Maisonneuve)—1441.

Wants to know what correspondents have been dismissed, and by whom they have been replaced. The case of Mr. Girard—1441. The labouring men are anxious to know who are going to be correspondents in the future—1442. If Mr. Girard were dismissed for political reasons, it was right—1443.

## SUPPLY—MONTREAL ATHLETIC ASSOCIATION AT NANCY.

Remarks—Hon. Mr. Lemieux—1722.

*Lemieux, Hon. R.* (Rouville)—1722.

Victories won by the association. Challenged to go to Nancy. A petition for and towards the expenses of the trip—1722. Reads a letter. They had the money from the bank. Intended to put a vote in the supplementary estimates—1723.

*White, Hon. W. T.* (Finance Minister)—1723.

Matter not brought to his attention but should have much pleasure in putting the sum in the estimates—1723.

## SUPPLY—MONTREAL HARBOUR COMMISSION.

Attention called to an item in the Montreal 'Gazette'—Hon. R. Lemieux—6551.

*Doherty, Hon. C. J.* (Minister of Justice)—6552.

Is sure Mr. Lemieux does not suspect him of that—6552.

*Coderre, Louis* (Hochelaga)—6553.

Thinks the 'Gazette' article is founded on statements by Mr. Ballantyne. He has accepted the solution of the question made by the government—6553. Mr. Préfontaine quoted as stating that Mr. McShane had no experience but it was a political appointment. This is a question of justice—6554.

*Hazen, Hon. J. D.* (Minister of Marine)—6555.

Mr. McShane's advanced age has naturally caused talk of his successor. The

appointment lies with the commissioners—6555. Believes no one will be appointed who does not possess the qualifications—6556.

*Lemieux, Hon. R.* (Rouville)—6551.

An article in the Montreal Gazette, on resignation of commissioners and an attempt to replace Mr. McShane as Harbour Master—6551. The Minister of Justice has been taken to task, as favouring one nationality. Knows that pressure is being brought to bear—6552. The Harbour Commissioners should not be interfered with in the appointment of a Harbour Master—6553. Has Mr. McShane resigned—6554.

*Rainville, J. H.* (Chambly and Vercheres)—6554.

Capt. Bourassa rightly had a claim to the job when it was taken from him by the political appointment of Mr. McShane—6554. If ever there was a case where justice and right called for an officer's promotion it is this—6555.

## SUPPLY—MOOSEJAW ARMOURY.

Remarks—Mr. W. E. Knowles—3972.

*Hughes, Hon. S.* (Minister of Militia)—3974.

Would have been in his place, had he been notified that this was coming up—3974. The property Moosejaw is offering as a site belongs to the C.P.R. and can only be used for public purposes—3975.

*Knowles, W. E.* (Moosejaw)—3972.

Calls attention to the need of an armoury at Moosejaw. A letter, the City Clerk to Col. Hon. S. Hughes, and the reply—3972-3. The letter unworthy the high and dignified position he for the moment holds. Trusts an armoury will be built—3974. The minister is in error. They never said they would alienate the property—3975.

*Speaker, His Honour the*—3974.

Mr. Knowles not in order in describing any action as unworthy a member of the House—3974.

## SUPPLY—NEWS SERVICE TO THE MAGDALEN ISLANDS.

Remarks—Hon. R. Lemieux—4159.

*Bennett, W. H.* (Simcoe)—4162.

Suggests that Mr. Lemieux look up the Kingston penitentiary reports on binder twine—4162.

*Foster, Hon. Geo. E.* (Minister of Trade and Commerce)—4161.

Is Mr. Lemieux sure this is the pure undiluted news that was sent to the Magdalen Islands. It is important to know that it really is—4161.
