Mr. Speaker: I declare the subamendment carried.

The amendment as amended will now be put to the House.

Mr. Baldwin: Mr. Speaker, for the purpose of saving time, now that we have heard the sweet mating call of the NDP and the Liberals, we see no reason to put the motion as amended. It is obvious that the Liberals and the NDP will agree to it and, as far as we are concerned, there is no reason to put it.

Mr. McGrath: Mr. Speaker, we would not want to break up that happy marriage.

Mr. Speaker: Does the House wish to withdraw the motion?

An hon. Member: On division.

Mr. Speaker: Is it carried on division?

An hon. Member: Carried on division.

Amendment as amended (Mr. McGrath) agreed to.

Mr. Speaker: The question is now on the subamendment proposed by the hon. member for Winnipeg North Centre (Mr. Knowles). All those in favour will please say, yea.

Some hon. Members: Yea.

Mr. Speaker: All those opposed will please say, nay.

Some hon. Members: Nay.

Mr. Speaker: In my opinion the nays have it.

And more than five members having risen:

Mr. Speaker: Is it the wish of the House to proceed without ringing the bells? Is this agreed?

Some hon. Members: Agreed.

The House divided on the subamendment (Mr. Knowles) which was agreed to on the following division.

[Mr. Speaker.]
