

of Uncle Sam by the admixture of many more of the wise sayings of the men learned in the law of the United States. Originally published anonymously, the author has been induced, by the kind notices of his little book that have appeared, to acknowledge his bantling ; and he would seize this opportunity of rendering thanks to those critics who, when writing of the first edition of his work, dipped their pens into a solution of sugar and honey and not into an extract of wormwood, vinegar, and gall.

R. V. R. JR.

KINGSTON, ONTARIO,
June 1876.
