The Bishof again takes this opportunity of desiring the Clergy to preach the Semi-Annual Sermons in behalf of the Society, in the months of June and October. The Bishop also suggests that the Collections should be made, as far as possible, on days when the usual Congregations are likely to assemble, in order that the claims of the Society may be generally known, and every member of the Church may have the opportunity of giving "according to that he hath."

As it is proposed to bind up several series of the Annual Reports of the Church Society in volumes, to be left for sale at the Fredericton Book Depository, Clergymen and others who may have back numbers to spare, would very much oblige the Depository Committee by forwarding the same to the charge of Mr. John S. Coy, Queen Street, Fredericton.
