

Fine Silverware

*worthy to grace
your table*

Jamestown

GLISTENING beneath the mellow touch of stately candles, catching the ruddy lights of rich mahogany, sparkling over the lacy patterns spread by snowy tea sets, fine silverware gives charm to hospitality—it helps to make a home; it fascinates and charms through all the years.

HOLMES & EDWARDS Super-Plate and Silver-Inlaid represent the highest achievements of the modern silversmith's craft.

The rare beauty of exclusive designs is richly wrought in silverware whose quality is notably superior.

Wear cannot mar its wonderful lustre and finish.

In "SUPER-PLATE" it is protected by an extra heavy coat of pure silver at the rest points.

In "SILVER-INLAID," blocks of solid silver are actually laid in with cunning care at rest points before plating. These two processes of wear protection are applied only in the five staple pieces—those most constantly used. In addition throughout the line, Holmes & Edwards offer you an exceptional quality of plate.

Silverware is a lifetime investment. It is true economy to pay a little more to secure the highest quality. See your jeweller's display of HOLMES & EDWARDS in these two exclusive, exquisite patterns.
