

OTTAWA, May 1st, 1911.

Sir,—I have the honour to present herewith a series of short articles on Horse Breeding and the Care of Mares and Colts, which I have prepared in the hope that they may be of some value to farmers interested in this particular branch of animal industry.

I would recommend that these should be printed in bulletin form for general distribution.

I have the honour to be, Sir,
Your obedient servant,

J. G. RUTHERFORD,

Veterinary Director General and
Live Stock Commissioner.

To the Honourable
THE MINISTER OF AGRICULTURE,
Ottawa.
