Before Police Magistrate Ellis Mr. Edward McDonald, a farmer of York Township, was charged by Henry Barnard with non-payment of wages amounting to $21.75. Barnard is said to have been hired at $100 for six months and after working two months, refused to work after 6 o'clock, when there was a field of oats to be hauled in. McDonald threatened to beat him if he refused to work, and Barnard left. The magistrate reserved his decision for a future occasion.

F. Lamontaine, an old man who claimed to have been hired at 25 cents per day by Wiley Holden, charged him with non-payment of wages. Holden claimed to have hired the old man at $4 for the month, but the magistrate thought he was entitled to 25 cents a day and the dispute was settled by the payment of $2 without costs.

The attention of the Village Council is called to the disgraceful condition of the sidewalk upon the east side of Mary-street, between Swanwick-avenue and Gerrard-street. Some person has been removing gravel and sand from a lot and left nearly six inches of it upon the sidewalk. It has been in this state for some time now and ought to be removed, as this street is much frequented by the villagers.

Another new church will shortly be an accomplished fact in this place. The Baptists have just commenced building operations. They propose erecting a very fine church. The building will be 34 feet by 53 feet, with a class room in the rear, 18x20. The structure will be of red brick, with stone facings. As far as the window sills, the upper portion will be colored plaster in panels. The excavating is now completed and Mr. Fred Howell will begin the brick work in a few days. The carpenter work will be done by Mr. William Williamson and the plastering contract has been taken by Mr. J. C. Jordan. The other contracts are not yet concluded. The plans are the work of Mr. J. F. Brown, architect. The location of the new building is the corner of Gerrard-street and Enderby-road.

Thornhill.

A man giving the cognomen of Henry Johnston has been working on the sympathetic feelings of the residents of this section of the country on the plea of suffering from an amputated arm. County Constable Brownlee of Richmond Hill caught on to the game and, having arrested the man, found, as he expected, the amputation a pure fake. Before Magistrates Teefy and Crosby of Richmond Hill a sentence of 30 days was registered against the accused.

Miss Effie Houghton, accompanied by Miss Taylor of the Toronto College of Music, is away on a trip to New York and Brooklyn. Miss Winnie Houghton is enjoying a stay on the steamer Columbian, with her father, Mr. H. C. Houghton.

An apple tree belonging to Mr. Joseph Cox of the village shows for its age a most remarkable crop, the fruit being bunched like grapes almost hiding the branches. The tree is a new variety, called "Wealthy," and all who have seen it are surprised at its early development.

A refreshing beverage.

Water doesn't seem to quench the thirst these hot summer days. What is more, it is hard to get good drinking water. A most refreshing and invigorating beverage for the warm days is a teaspoonful of

Abbey's Effervescent Salt

in a tumbler of water. It braces you up, and fits you to stand the oppressive heat—makes you feel like work even on the hottest days. It is health-giving, too—regulates the system and tones the appetite.

Blindness Prevented By the Pin-Hole Test

THE PIN-HOLE TEST will determine if your eyes are becoming diseased. Take a card, make a small pin-hole in the center, place the card close over the eye and look at the clear, blue sky. If the field of vision looks clear, the eyes are not diseased. When the field of vision is smoky or hazy, the appearance often accompanied by spots or the appearance of a fungous growth, no time should be lost in obtaining treatment if blindness is to be prevented.
