

HER HUSBAND WAS A DRUNKARD

A Lady Who Cures Her Husband of His Drinking Habits Writes of Her Struggle to Save Her Home.

A PATHETIC LETTER.

"I had for a long time been thinking of trying the Tasteless Samaria Prescription for my husband for his drinking habits, but I was not sure until I discovered that I was giving him medicine, and the thought occurred to me, I hesitated for nearly a week, but when I thought of all the fear and worry I was giving him, and the thought of his being a drunkard, I decided to try it. I gave him the first dose, and he was cured. I was taking a dislike to him. It was only too true, for before I had given him the full course he had stopped drinking altogether, but I kept giving him the medicine till it was gone, and then sent for another lot, to have on hand if he should relapse, as he had done from promises before. He never has, and I am writing you this letter to tell you how thankful I am. I honestly believe it will cure the worst cases."

A Handsome Menu Card.

It is a noticeable fact that the dining car department of the Grand Trunk Railway System is second to none on the American continent, and now the improvements and modern innovations are continually being made. The cafe-parlor cars which have been running on nearly all of the divisions of this great system are a constant source of praise from the traveling public. The company has recently altered the style of the menu cards used on all of the dining cars and cafe-parlor cars, and have gotten up a very handsome and neat bill of fare that appeals to the artistic sense. The stock used is what is known as Old English Ruskin Bristol of fine texture, and in light colors. The Grand Trunk mark in black appears at the top left-hand corner surrounded by a neat combination of scroll work in gold and embossed in high relief. The borders are also embossed in high relief, and the design at top, and are printed on the same quality of card, but an olive color for distinction.

TWO U.S. VETERANS INSANE

Court Stands By the Award of the Arbitrators in an Electric Light Case.

SUIT FOR \$10,000 FOR FALSE ARREST

Charles S. Nesbitt is suing Philip Jamieson—An Appeal Allowed by Divisional Court.

The King's Bench Divisional Court yesterday handed out judgment allowing the appeal of Mrs. Ada Alexander from a decision of Judge Morgan, awarding Mrs. Hall, wife of Police Inspector Hall, \$50 damages and costs in an action by the latter to sustain the defendant from discharging her and snow upon the plaintiff's land from an overhanging roof. The Divisional Court found upon reviewing the facts of the case that the defendant had a right to the overhanging roof by her conveyance, which is from the same grantor as that of the plaintiff, but prior in date, and that the easement is expressly reserved in the deeds. The plaintiff, Mrs. Hall, owns No. 18, Classic Avenue, and the defendant, Mrs. Alexander, No. 20, Classic Avenue.

There are two pensioned veterans of the American Civil War in Ontario Asylum, for whom the court yesterday handed out judgment. The plaintiff, Inspector of Prisons and Public Charities, Mr. Christie, is George H. Christie, aged 68 years, formerly of the 1st Battalion of U.S. Infantry, and now in London Asylum for Insane. He was admitted to the asylum last June. The American government pays \$12 a month for his maintenance. The other is Charles Pringle, aged 71, formerly of the 10th Regiment of New Hampshire Volunteers, and since last July in Kingston Insane Asylum. He receives a pension of \$12 a month from Washington.

Mr. Justice Lount yesterday handed out a written judgment refusing to grant a motion made on behalf of the Kingston Electric Light, Power and Heat Company to have an award set aside. The award in question was made by arbitrators appointed to assess the value of the Kingston Electric Light, Power and Heat Company's plant consequent upon the same being taken over by the city of Kingston. The arbitrators were Messrs. J. E. James, the apple exporter, who was convicted and fined by Magistrate Denison for violating the Fruit Marks Act, obtained from Mr. Justice Robertson yesterday the preliminary order in proceedings taken by him to have the conviction quashed.

A suit has been instituted by Charles S. Nesbitt against Philip Jamieson, the well-known merchant, for \$10,000 damages for false arrest and malicious prosecution.
