The Council have great pleasure in acknowledging the liberality with which contributions continue to be made to the Library; and they feel assured that nothing is wanted but a permanent building, with suitable accommodation for the adequate display of the collections, to secure for the Institute a Library and Museum, alike creditable to itself, and of practical benefit in advancing the cause of science in the Province. The

following are the donations which have been received since last report:—

Donations to the Library.

	Vols.
