LONDON METH. LAYMEN FAVOR HIGHER SALARIES

View With Shame and Sorrow Low Standard of Financial Provision Made For the Ministry.

CHATHAM, June 3.—(Special.)—The progress which has been made by the Home Mission Society of the Methodist Church of Ontario during the past four years was detailed to the London Conference to-day by Rev. Mr. Allen, the Toronto secretary. In 1907 there were in Ontario 102 young men as summer supplies, at a cost to the church of $7000. In 1908 there were 132 at a cost of $10,000 and in 1909 147 at a cost of $16,200. There has also been an increase in the salaries paid to these mission workers, until in 1910 the basis of payment is $725 for married ordained men and $550 for single, and $500 for married and $425 for unmarried unordained men. The conference of Toronto has been specially good in supporting mission workers.

Rev. Mr. Long of Highgate asked concerning the alleged danger to the work caused by the Latter Day Saints and Doukhobors in the Northwest. Mr. Allen was unable to give any information.

Rev. Dr. Graham of Toronto, secretary of education for the Methodist Church, reported that the total income in 1907 for education was $34,555 and in 1910 the estimate is $50,601. During the previous quadrennium the church took care of 10,714 students. The estimate for the four years just closed is 1500. A large amount has been spent in loans to students. During the past year $17,795 of these loans have been paid back. Great progress has been made in the establishing of new colleges and especially in the Northwest, Regina, Edmonton and other western towns. Dr. Graham pleaded for more assistance for college work.

The Neal Memorial.

Rev. John Morrison, Alvinston, reported on the Major Neal memorial fund. The conference decided to hold a Major Neal Day in the Sunday schools of the province next fall, when addresses will be given in memory of this great pioneer worker and a collection taken to raise the thousand dollars asked from the conference towards a memorial church.

Several resolutions from district secretaries were read, providing among other things for the sale of the Mossley Church in the London district, the Ebenezer Church in the Goderich district, the Kingsville Church property in the Windsor district, the Wallaceburg Church property in the Chatham district and the Staffordville Church in the London district. It was decided to make Grace Church of St. Thomas a mission church, in order that Dr. Gundy, who has already been there four years, may be retained for another year.

Should Be Paid More.

This afternoon the laymen passed a resolution calling attention, "with shame and sorrow, to the low standard of financial provision made for our ministers," and declaring that "neglect of justice on the part of the laity toward ministers with the manifold responsibilities they are expected to maintain towards the community, the congregation, their families and themselves, cannot be allowed to continue"; and asking conference to memorialize the general conference to require the raising of minimum salaries of ordained married men to $900, single ordained men to $700, and probationers to $500, with provision additional for parsonage in the case of married men.

The resolution was introduced as a result of the report that last year sixty-three superintendents of circuits had suffered deficiencies in salaries to the average of $117, and that 11 young men colleagues had experienced deficiencies of an average of $76. The average salary received last year by superintendents of circuits was $761.

Farmers Opposed It.

The farmers, who are practically the only ones affected by the new minimum rate set forth in the resolution, opposed the measure, but were overwhelmed by the laymen of the cities, who for the most part, under present conditions, are paying salaries to their ministers much over the new minimum rate.

H. S. Lloyd of Glenwood pointed out that a large number of country churches were unable now to pay the present minimum salary of $750. C. E. Naylor of Essex declared that he knew of one man on Mr. Lloyd's circuit who was worth $20,000, and who only contributed $12 a year to the church. He thought that all such men needed to be reconverted.

The laymen went on record favoring the using of students as supplies during the summer.

A reception service was held to-night, when Arthur Elmer Dean, B.A., of Watford, in the Strathroy district, and J. W. Johnson of Brigden, in the Sarnia district, were received into the ministry, and will be ordained on Sunday. The motion to receive them was made by Rev. T. W. Blatchford, B.A., and seconded by Rev. W. L. Rutledge.

Boys in Trouble.

Fred Wallace, 12 years, 303 Sackville-street, and Willie Ryan, 13 years, 19 Wilmot-avenue, were arrested yesterday by Policeman Young (27), charged with stealing $2 from Mrs. B. Shaw, 341 East Gerrard-street.

ONTARIO SOON TO VOTE ON PROHIBITION ISSUE

So Declares Temperance Organizer, Rev. H. S. Magee, at Montreal Methodist Conference.

BROCKVILLE, June 3.—(Special.)—This was the opening day of the session of clergy and laymen of the Montreal Methodist Conference. Rev. C. S. Deeprose of Sherbrooke, Que., was eletced president on the first ballot, by a huge majority, and Rev. H. E. Warren of Inkerman was elected secretary.

Dr. Carman featured the morning session with an address on church union and an appeal to ministers to be careful of the doctrine they promulgated. He did not commit himself, leaving the matter to the guidance of the will of God. He did express what he termed his "jealousy" for the Methodist itineracy.

In the afternoon the conference listened to an address by Rev. H. S. Magee, assistant secretary of temperance and moral reform. The problem of the west was the problem of the east and of the nation, and improved conditions were a necessity. Clean strong men were required to do this work. He instanced the part taken by H. H. Miller on the race track bill and the fight in Montreal, led by Ald. Carter, for "reduced saloon hours.

Prohibition for Ontario.

It was proposed to bring on a vote for total prohibition in Newfoundland. In Nova Scotia workers were in measurable distance of total prohibition. In New Brunswick nine out of fourteen counties are dry. In Ontario half the municipalities are without licenses and it was a hopeful sign that larger places were undertaking local option campaigns. The time was not far distant when a total prohibition vote in Ontario would have to be considered. He characterized the three-fifths clause as a handicap, having worked under it. In the western provinces the temperance movement was gaining ground.

Touching the race track bill he believed the promoters would have won out had it not been for the strange position taken by the Hon. A. B. Aylesworth, whom he characterized as insulting when he made his speech. He also condemned the minister over the obscene literature cases.

Proposed Legislation.

In conclusion Mr. Magee mapped out a long program along legislative lines, including power for municipalities to prohibit pool rooms, and more stringent regulations regarding picture shows which were being used as an aid to the white slave traffic.

John H. Roberts of Montreal dealt with the temperance question in Quebec. He is secretary of the provincial temperance alliance, and brought the announcement that three-quarters of that province was now under local option.

To-night the service of receiving candidates for the ministry was held in Wall Street Church. There were twelve in all, viz.: E. A. McLaren, M. S. Lehigh, T. H. Billings, Elwood James, F. B. Runnells, S. W. Boyd, J. A. Waddell, J. M. Shaver, H. G. Parsons, T. H. Bole, J. F. Hayden. The resolution of reception was made by Rev. S. Sellery of Kingston, and seconded by Rev. Dr. Sparling, Montreal.

FORGED CHEQUES TO BET

George Frame, Arrested, Admits He Lost Money on Horses.

"I lost all my money on the horses, and I forged those cheques to get more, which went the same way."

This is the excuse given to the police by George Frame, 77 Brooklyn-avenue, arrested last night by Detectives Tipton and Archibald, charged with forging the name of Reginald Northcote, 28 East Wellington-street, to two cheques upon the Standard Bank for $5 each. The first was forged and cashed April 1. It was payable to "Cash" and endorsed in the name of W. J. Ovens. The endorsement is also a forgery. Ovens is employed by Northcote. The second cheque was cashed on May 25, and was made out in the same way, but endorsed in the name of Brown. Frame attempted to cash another cheque at the same bank for $25 upon the same account on Wednesday, but payment was refused.

Frame is a young man of good appearance. He is married, and is a son of ex-Ald. Frame. He was formerly employed in the assessment department.

Grenadier Sergeants Celebrate.

About 150 attended the Grenadier sergeants' celebration of the 25th anniversary of the Battle of Batoche.

The toastmaster was Sergt.-Major H. W. Johnston, and the following responded to the toasts: "Canada," Col. Dr. Ryerson; "The Canadian Militia," Col. Galloway and Col. Macdonald; "Our Regiment," Col. Goodeerham and Col. E. E. King; "Guests," Major Collins, Army and Navy Veterans; Sergt.-Major Kirkness, Highlanders; Sergt.-Major Britton, Q.O.R.

The following who were at Batoche were present: Drum Major W. Bewley; Pioneer Sergt. C. W. Harding, Color Sergeants H. W. Johnston, S. Bennel and A. Fremantle, Staff Sergt. A. Murdison and Privates G. Knight, F. Rogers and G. Scully.

HOPE FOR CROSS YET

Way is Open for Appointment to Sifton Cabinet.

EDMONTON, Alta., June 3.—(Special.)—The political atmosphere has cleared appreciably. Hon. A. L. Sifton, the new premier, will not announce his policy until after the first cabinet meeting. He has stated that, in a general way, the policies inaugurated by the Rutherford administration will be carried out.

Ex-premier Rutherford has no intention of retiring altogether from politics. He will remain the representative of Strathcona. It is generally accepted, however, that he is for all time out of active participation in the administration of the province. This is not the case in regard to Hon. C. W. Cross, ex-attorney-general. Cross is a young man who has given Alberta more advanced legislation than any other western province has, and he is admitted to be the cleverest organizer in this province.

As a very large section of the present legislature is behind Cross and altho the public does not know it, Cross, from behind the scenes, was an important factor in the selection of the new cabinet. It is significant that Judge Mitchell has been given two portfolios, namely of attorney-general and minister of education.

T. H. Riley, Liberal insurgent member for Gleichen in the local house, has resigned as protest to the manner in which the lieutenant-governor and premier, while Chief Justice, manipulated things; because the lieutenant-governor prorogued the house without allowing the members to say a word after the announcement of the resignation of the Rutherford government, and because W. H. Cushing was eliminated from the Sifton cabinet.

As to the publishing of the usual souvenir, the committee have appointed their own special agents to canvass the merchants.

JURY EXONERATED TRAIN CREW

But Coroner Criticized Railway's Time Schedule.

PETERBORO, June 3.—(Special.)—In returning the verdict in the inquest into the death of seven-year-old Mamie Feeley, who was killed a week ago Saturday by the G.T.R. Port Hope express at the Park and Westcotte-streets crossing, the jury exonerated Engineer Mimms and the train crew. They recommended that gates be placed at the G.T.R. crossings.

Coroner Gray stated that the facilities of the Midland division of the G. T. R. were not as good as they might be and was of the opinion that trains had to be run at an excessive speed within the city limits in order that scheduled time might be made. W. E. Foster, the company's solicitor, took exception to these remarks.
